

# #2 worldwide, now in New Zealand ProCurve Networking by HP

## Why offer ProCurve Networking from Hewlett-Packard?

### Easier to sell - from SMB to Large Corporate accounts

- HP single vendor end-to-end architecture Server, Storage and Networking
- Increase your differentiation, customer confidence and satisfaction
- Reduce your competition, time to market and overheads

### Easier to do business with

- ProCurve is a channel-centric business of HP
- Leverage your existing HP go-to-market

### Easier to integrate, learn and install

- Based on open standards, proven interoperability
- Non-proprietary support for your choice of VOIP
- Single console for managing wired, wireless, security
- Use familiar CLI, web management, or ProCurve Manager software (free in box with every managed switch).

### Easier to support

- Lifetime Warranty with next business day advance replacement, business hours phone support and free software updates.
