Check it out! The Portland Alumnae Chapter has a new website! Many thanks to an enormous effort to new Portland Alum Julie Richardson who gave us her time, talent and energy to make this goal a reality! Please send any ideas or updates you have to her - OR simply e-mail her some kudos for all her hard work! You'll notice all the new sections and if you have event photos please forward them for posting! E-mail Julie at j.anger.richardson@earthlink.net.

Time For New Officers!

Looking to be more involved? Wanting to reconnect? We need more sisters willing to step forward and help out in leadership roles. Time commitment is minimal but the rewards are fabulous! For 1-2 hours a month you can help the Alumnae Chapter grow strong and flourish! Officer group meets 1x a month for an hour in a centrally located place for everyone. Please contact Jennifer Greyerbiehl if you'd like more information on helping out! Many hands make light work so we encourage several of you to step forward to share the leadership and organizing roles. Many positions have co-chairs, so the duties are split in half so everyone can be involved yet also manage their time. Please consider stepping forward! Officer Retreat will be June 10th, 6-9pm. Join us to set goals for the upcoming year, plan activities and have pizza!

Tri-Delta Convention

Magnificent Milestones

- 120 years of sisterhood
- 20 years of Tri Deltas assisting Tri Deltas through support from the Foundation
- 10 years of Delta Shop
- 5 years of the Life Loyal

With hundreds of milestones in between and countless more to come. It is hard to believe, but Convention time is fast approaching. This year's Convention finds us in our kind of town: Chicago, Illinois. Since a number of proud Tri Delta milestones coincide with this 53rd Convention year, the theme is "Magnificent Milestones," after Chicago's Magnificent Mile. We hope you'll join us in the windy city and create a Tri Delta milestone of your own.

The chief purpose of Convention is to conduct Fraternity business. Official alumnae delegates are encouraged to be a part of the decision-making process by voicing their opinions and voting on important issues. To ensure that your chapter is represented at business meetings, each chapter should send at least one official delegate to Convention. Join us as we recognize the Fraternity's incredible achievements in this biennium alone, and help us as we create many new milestones at our 53rd Convention in Chicago, Illinois.

We'll paint the town (and all that jazz), indulging in the amazing culture that the windy city has to offer while we celebrate the sisterhood that ties us together. If you are interested in attending Convention, log on to the www.tridelta.org web site.

Happy Birthday Deltas!
