

Presenting a new time-saving and cost-effective printing solution!

Design *your own* business cards, stationery, labels, stamps and more with our new Design Center technology ONLINE!

1. Simply go to <http://alpha582.clickprint.com>
2. Choose your product (business cards, stationery, labels stamps and more) and options.
3. Either choose to upload your design or use our Design Center to create your own design.
4. Review and approve your design then add it to the shopping cart.
