Are sugar gliders harmed by stress? Can it affect their health? How?

What is self-mutilation and what are the common causes?

LAST QUESTION!

What common household hazards pose a threat to gliders allowed out of their cages?

Please note that by submitting this form you are agreeing that the answers you have given are true and accurate. Failure to answer these questions honestly constitutes a violation of the adoption contract. Any violations of our adoption contract may include removal of the adopted animal from your home and any and all fees necessary for the return of the adopted animal to Pocket Pets Animal Rescue.

Please note that all applicants must sign an adoption contract and **MUST** agree to have their home inspected by a duly authorized representative of Pocket Pets Animal Rescue **BEFORE** the will be allowed to adopt an animal. The final decision to allow an animal to be released for adoption will be at the discretion of Pocket Pets Animal Rescue and adoptions may be refused if we suspect the home is inappropriate for our animals.

I, _____, have read and answered this questionnaire honestly and to the best of my ability. I understand that by signing this questionnaire I have read and fully understand the adoption policies of Pocket Pets Animal Rescue and its representatives. I also understand that by filling out this questionnaire I am not guaranteed the adoption of the animal I have posed interest in and that Pocket Pets Animal Rescue may refuse adoption of any animal in their program.
