Committee of Management for 2005/2006

**Committee of Management
for 2005/06 is as follows:-**

President: David Snelgrove

V/President : Dick Roper

Treasurer: Mark Traynor

Secretary: Bruce Bassett

Assist/Sec: Bill Hutchison

Captain: Hank Vanetten

Vice Captain: Colin Brown

Senior Range Officer: Ernie
Smith

Ordinary Members x 4

Brian Staniforth,

John Ioualitene,

Peter Healey

Jack Pyne

Jacketed Ammunition is NOT Permitted on any of our ranges

Despite our frequent
reminders, someone, and you
know who you are, is still
using jacketed ammunition on
our range.

This is not permitted.

Kindly stop using these rounds
otherwise a) if we discover
who you are then you may find
that you are no longer a
member of our club, or b) we

may be forced to change the
locks and only allow shooting
during official shooting times
(and which will effect all
members).

You have been warned !!!

BBQ/Presentation Day Spoon Shoot Prizes

Please remember that in order
to receive any spoon shoot
prizes, you must either be
present at the BBQ./
Presentation day or forward an
apology and request that any
prizes due, be awarded to you.

Who is Responsible for Recording Member Attendances at External Clubs ???

The following clarification was
recently sought from Eddie
Evans at VAPA concerning
“who is responsible for
recording members
attendances at external clubs”

Per Eddie,

The external person must
record his/her name and
relevant details in the
participation book at the club
he/she is visiting.

The external person should
then advise his/her own club of
that attendance.

The external person should
include the details on his/her
card he/she keeps for recording
attendances (internal &
external) - no need for anyone
at the visiting club to sign your
card (which is something that
Eddie fought for)

**THE CLUB THE PERSON IS
A MEMBER OF, is**

responsible for reporting the
attendance (in the annual
returns).

In summary, any of our
members who shoot at external
clubs should provide me with
the same details as what they
fill in our yellow participation
books, and can either be
emailed to me via our
ppcvic@hotmail.com email
address, posted to our P.O.
Box 578, or alternatively, just
drop a copy of the relevant
details in the secretary box at
the club.

IPSC Competitions

We are considering the
introduction of additional
IPSC events, possibly 1 extra
event during each 6 week
competition cycle.

If you are interested, please let
John Ioualitene know.

FOR SALE

Gun for sale
Only used once ☞

Service Match & 1500 Match

Please note that as from the
19th November, and until
otherwise advised, Service
Match will now be shot on
Saturdays and the 1500 Match
will be shot on Sundays.

Until next time
Bruce Bassett

Issue 5 October / November 2005 NEWSLETTER

PPC Homepage

I spent some time recently bringing our homepage up-to-date, redesigning it, and including a few new items. It's a free website facility but has some drawbacks, like some popups at times and being restricted to using their free website software to setup and maintain the site.

You will now find copies of some of the regular forms that members need, plus newsletters, competition calendars, and links to other shooting organizations such as VAPA, IPSC etc. Changes are still occurring, but in the meantime check out our new look homepage and let us know what you think.

www.geocities.com/ppcvic

PPC Classifieds

This will be a new page on our homepage that members can list any trades or services (doesn't have to be shooting related) that they would like to make available to other members of the club (or anybody else reading our homepage).

If you want to list anything, then please either email me at ppcvic@hotmail.com or drop a note in my secretary box with any relevant details.

PLEASE CLEAN UP AFTER YOU

Please help the club and yourself by cleaning up after you and leaving the clubhouse and ranges neat and tidy.

In the past we could afford to hire an external person to keep our facilities clean and tidy, however this was one of the services that we disbanded in the interests of cost cutting. So please do your bit to help by not leaving a mess behind when you leave the club. Thanks.

Coaching Seminar Service Match, Snubby & Action Matches

Please be advised that John Corral is running a coaching seminar on Saturday the 5th November commencing at 10:30am sharp. A notice has been placed on the notice board in the clubrooms, plus a copy is included on our homepage.

What will I need ???

Double Action Centrefire Revolver (Or Semi-Auto)
Ammo, Speed Loaders or Mags

What will be covered ???

Stance (Also Prone, Sitting, Kneeling & Barricade Support) –
Grip Trigger Control –
Breathing –
Follow Through –
Timing –
Stress Management.

This is your opportunity to improve your technique, and as a consequence improve your scores

Black Powder Open Help Required

Help is required for our black powder open shoot on the 29th

& 30th October, so if any of you have some free time and can help over these two days, on either or both days, it would be greatly appreciated.

Black Powder Finals Ballarat

By our roving reporter and participant Hank Vanetten

There were 4 members that went to Ballarat to shoot in the Black Powder finals for 50mtr. It was a fine day in Ballarat but a wet and cold day in Melbourne. Brynley was driving and Ern, Peter Bell and my self made ourselves comfortable in the car while we were chauffeured through the rain.

As we neared Ballarat it started to clear and there was sunshine but bitterly cold. We made good time and had some coffee and some socializing with the other competitors.

As it turned out we did very well Ern shot 345 Brynley 345 and Hank 329.

We did the champions of past honors by about 60 points. It was a very satisfying day.

The shield was presented and then it was taken away from us for engraving (not happy Jan)

Hope to have it back soon so we can show it at the Black Powder Open.

Regards Hank

Until next time
Bruce Bassett
