Subject: May Sales / Forecast Accuracy Reports

Attached please find the May 04 Sales and Forecast Accuracy Reports as well as the final results for the Amsterdam Incentive Trip!

Due to strong buying from several key accounts, and a great push from a number of our NAMs, we closed the month of May with a record number - \$ 3,611,747! (111% of Master Plan and 144% VS Last Year)

Thanks to everyone in Administration/Marketing and internal support roles for assisting in the coordination and processing of business this past month, I know the workload has been great, but we appreciate all of your efforts and contributions to the cause.

Congratulations to Dave Katz, Kris Katseanes, and Patrick Bakker for overachieving their May budgets and contributing in such a big way, particularly to Dave who had another whopping month with Staples!

I'm pleased to also announce that the following individuals have qualified for the Amsterdam Incentive Trip scheduled for this August, 17th-24th:

Dennis Lees
Dave Katz
Robert Duffy
Kris Katseanes
Patrick Bakker

Congratulations !
