Subject: June 05 Sales Reports

Attached please find a copy of the June Sales Reports, including the Monthly Sales, Fast Start Program, Forecast Accuracy and Monthly Sales Call Report . With three (3) months to go in the first half we have our work cut out for us, and need a strong July to get back on track if we hope to have a chance at reaching our challenging first half target. Congratulations to Dan Woolly and Patrick Bakker who qualified for the Fast Start Bonus Program for April - June!

Please continue to focus on your end user sales call activity, we need to work hard at continuing to build relationships with our target customers!
