Lists open 11.30am and close 12.00 noon.

It is that time of the year again! For the past twelve months, Lady Helmet Hackforth has valiantly served my Captain in defense of my ship. The Gardian will now be requiring a new and loyal First Mate whose job it is to protect the Captain and the Ship. The First Mate will be chosen by means of a Rapier Tourney, defending the ship from all rougues. The victor will hold the title of First Mate for the following year.

The First Mate's Tourney is a Rapier Auction Tourney. Monies raised will go toward Rapier in the Barony of Innilgard. As The Gardian is loyal to the Kingdom of Lochac, a tith (1/10) of monies raised will go to the Kingdom Coffers for use by the Crown.
