Connecting in Love

Applying the 5 love languages

- **Investing in your child's love bank**
- **Loving the way your child can understand**
- **Knowing your child's love languages**

Date: 18 September 2009

Time: 1:30pm to 3:30pm

Speaker: Ellen Leong

Ellen did her degree in Mass Communications, majoring in writing and editing. Her earlier career has been in the areas of publications. She also taught English as a second language in an international school. She enjoys teaching life skills to kids in the primary and secondary levels. She is also a popular speaker at women's conferences.

Ellen's passion is to train parents to be a parent coach. She hopes to impart practical parenting tips to fellow parents and to inspire them to build the esteem of their teenagers. She is excited to show ways to make relationships at home - the place where it counts most - more peaceful and loving.

Ellen enjoys nature, hiking, cycling, baking and spending quality time with her husband and her three terrific teenagers.

For registration: Please email Rachel Koh: sfe@tns.sg, giving your name, mobile no., email address, name of your child and class. Registration closes on September 15, 2009. Seats are limited to 25 participants.

Smart talk

How to talk so your child will listen

- Responding to your child's emotional outburst
- Guiding your child through conversation
- Fostering an atmosphere of love and respect

Date: 19 Sep, 2009 (Saturday)

Time: 10am to 12pm

Speaker: Gay Mei Ling

Before becoming a full time homemaker in 2001, Mei Ling worked in the banking industry for more than 23 years. She is married with 2 children, aged 20 & 18.

She is an active volunteer with Touch Community Services. She conducts marriage preparation courses regularly together with her husband who also volunteers with the organisation. They are both certified DISC profilers.

For registration: Please email Rachel Koh: sfe@tns.sg, giving your name, mobile no., email address, name of your child and class. Registration closes on September 15, 2009. Seats are limited to 25 participants.

Parenting By Design

Motivating through personality edge

- Discover the motivators that make your child tick
- Applying DISC personality profiling to understand your child's needs
- Raise your child the way he/she will excel

Date: 19 September, 2009, Saturday

Time: 10.00 am to 12.00 pm

Speaker Dr Edmund Wong is a Family Life Ambassador with the Ministry of Community Development, Youth and Sports (MCYS). Edmund had spent seven years in the UK and completed his tertiary studies with PhD in Computing Science, 1987; MSc in Computing Science, 1983, both from the Imperial College of Science and Technology, University of London; BSc First Class Honours, 1982, Combined Studies in Applied Physics and Computing Science, from Manchester, UK. Currently serving as the General Manager of TOUCH Community Services, an award-winning Non-profit Organization, Edmund seeks to strengthen families by equipping and enriching individuals to stand up to the challenges of today's fast-paced society. Edmund and wife, Mun Lan, a lawyer by training, are happily married to each other for the last 22 years. They have two teenage children, aged 19 and 14. They work closely as a couple, and have been conducting Marriage Preparation Courses since 2002. They are certified behavioural consultants (DISC personality profiling) and have spoken on topics ranging from marriage to parenting enrichment.
