

PAKISTAN SOCIETY FOR SEMICONDUCTOR SCIENCE AND TECHNOLOGY (PS³T)

The Pakistan Society for Semiconductor Science and Technology (PS³T) is committed to the promotion of research and development in this vital field in Pakistan. As part of this objective it would like to build bridges between the international community in the field and the Pakistani semiconductor scientists. To fulfill this role the Society invites distinguished scientists of international stature to join the Society as honorary members from time to time.

The Society would be honoured if you would accept the honorary membership of the Society, by filling in the form below. As an honorary member you will receive the "Semiconductor News", a quarterly publication of the Society regularly. The honorary membership does not involve any obligation on your part. However, any voluntary material or intellectual support is welcome.

Dr. M. Zafar Iqbal
(Chairman PS³T)

PAKISTAN SOCIETY FOR SEMICONDUCTOR SCIENCE AND TECHNOLOGY (PS³T)

Honorary Membership Form

I agree to become an honorary member of the Society.
