

2004 F-150 HERITAGE

REGULAR CAB / SUPERCAB

MAJOR PRODUCT SUMMARY

Concurrent with the launch of the all-new 2004MY F-150, Ford will continue to offer Regular and SuperCab models based off of 2003MY F-150. Similar to the launch pattern of the tremendously successful 1997 F-150, offering the new and existing bodystyles concurrently will allow a seamless transition to the all-new truck. Available in both XL, with and without Work Truck Group, and XLT, these trucks have the proven functionality and capability of the Ford F-150. In addition, the successful 4.2L V6 engine, with either the manual or automatic transmission, will only be offered in these Regular and SuperCab units for 2004MY.

The following equipment is standard as indicated. Each series includes the standard equipment of the previous series, except where additions/exceptions are noted:

XL	XLT
• Chrome front & rear step bumpers • Chrome grille surround • Grey "egg crate" grille insert • Manual side exterior mirrors • 16" styled steel wheels • Interval wipers • Black polyurethane steering wheel • AM/FM stereo/cassette/clock • Visors – cloth with driver strap & passenger mirror • Manual windows and locks • Cloth bench seat • Black vinyl floor covering • Rear window w/fixed glass and solar tint	• Body color grille surround (4x4) • Grey "honeycomb" grille insert (4x4) • Power side exterior mirrors • 16" polished aluminum wheels • Speed dependant interval wipers • Leather-wrapped, color-coordinated steering wheel • Speed control/tilt steering • AM/FM stereo/single CD/clock • Visors – cloth w/driver & passenger covered mirrors • Power windows and locks • 40/60 Cloth split bench seat w/driver & passenger lumbar • Color-coordinated carpet & carpeted floor mats • Rear window w/fixed glass and privacy tint (SuperCab) • Remote keyless entry

Please see Standard Equipment Pages for more details

****Please note:** Flareside Payload/GVWR figures are listed ONLY if they differ from Styleside figures with the same configurations.

****5.4L engine and 7700 lb. Payload Group A (627) are only available with Alt Fuel Pkgs.**

¹ NGV vehicle Payload is 2620 lbs. and GVWR is 7650 lbs.

CALIFORNIA EMISSIONS STATES/CROSS-BORDER STATES***

CALIFORNIA EMISSIONS SYSTEM..... 422

Required on units with GVWR of 14,000# or less for California, Maine, Massachusetts, New York and Vermont registration. Optional for Cross-Border States.

CALIFORNIA EMISSIONS SYSTEM NOT

REQUIRED 423

Control code for units either shipped to California Emissions States dealers or ordered by California Emissions States dealers for registration in non-California States locations.

CALIFORNIA PUBLIC SERVICE/EMERGENCY VEHICLE EXCEPTION 936

Only available on units sold to authorized governmental units and privately-owned ambulance companies. Must also use Order Code 423 when ordering.

NON-CALIFORNIA EMISSIONS/NON-CROSS-BORDER STATES DEALER ORDER FOR

CALIFORNIA STATES REGISTRATION 93N

Required on all units ordered by dealers for California Emissions States registration when the vehicle is being delivered to a non-California Emissions, non-Cross-Border States location. Requires California Emissions System (422). Vehicles must be registered in California Emissions States.

*****CROSS-BORDER STATES (14,000# or under GVWR)**

Cross-Border States are Arizona, Connecticut, Nevada, New Hampshire, New Jersey, Oregon, Pennsylvania and Rhode Island

ENGINE BLOCK HEATER

Standard and only available in the following states: AK, MN, ND, SD, MT, WI, and WY. Other states available via FCSD.

NOTE: Fleet Only – Engine block heater optional in all states w/valid FIN code

VEHICLES DESTINED FOR HIGH ALTITUDE AREAS

HIGH ALTITUDE PRINCIPAL USE 428

Control code for all units sold for principal use in high altitude counties. This will ensure appropriate equipment is installed on the vehicle to permit satisfactory performance in high altitude regions.

NON-HIGH ALTITUDE PRINCIPAL USE 429

Control code on units shipped to high altitude areas or units ordered by high altitude area dealers for registration in non-high altitude area.
