

2004 F-550 SUPER DUTY MAJOR PRODUCT CHANGES

OVERVIEW

The 2004 Super Duty Chassis Cab continues to meet the needs of an array of commercial vocations, as well as personal use towing customers, through several interior refinements for the new model year – primarily XL front seats and XLT/Lariat Crew Cab rear seats. Trademark "Built Ford Tough" attributes such as capability to get the job done, quality, reliability, power, breadth and depth of product choices are solidly behind Chassis Cab buyers. F-Series Super Duty Chassis Cabs have the highest overall opinion rating (67% vs. 59% for Chevrolet), lead all other brands in dependability (55% vs. 45% for Chevrolet) and maintain a wide gap on the "tougher than other trucks" rating (61% vs. 38% for Chevrolet, 30% for Dodge and 28% for GMC) [Source: 4th Qtr. 2002 Chassis Cab Marketing Tracking]
