SCENE 1 Monday

Clara: You come home from work and go to your hotel room. You find your sister(Emelia's character) there. (you guys are sisters)
E: "Oh hi, how was work?"

Clara: “ Good! I just have one more presentation to do which is tomorrow, and 1 more build to do!

What about you?

E : Oh good news, on wednesday, 2 days, I might be working with you! I will also have a chance to be one of the best fashion designer in the country.

HAVE A SMALL CONVERSATION THEN GO TO SLEEP

SCENE 2, The presentation, Tuesday

Clara: Get ready for work and leave for the presentation

Clara: (show off your Vacuum chamber build and talk about it. Explain why it is destroying a planet and how, and why we should save it. There are aliens on it but you are not quite sure. Gianni's character is one of them. When you convince the people to finally go, but they make the aliens seem threatened.)

Sharpei= Emilia's 2nd Character(a worker, and astronaut named shar pei)

Sharpei: “ This is too much of a risk! Our astronauts' lives, specifically mine, are at risk!”

Clara: “ yes but we have to save the other lifeforms!”

Sharpei: “ What if in the end they destroy us. What if it is too late?”

Clara: what if they are friendly-”

E: “what if they are not! It is too much of a risk”

Clara: "We could make a new beginning. A new way of space travel, they could work with us."

Sharpei: No! It is unlikely, and a huge risk to take if we fail it would be your fault and-

GI2(Gianni's 2nd character, the boss)

GI2: "Enough! For both reasons I will make a decision by tomorrow. You are dismissed."

SCENE 3, The Decision Wednesday

Clara: you and Emelia go 2 work

You meet up with shar pei waiting for the answer.

GI2: you walk in about to tell them that the mission will happen, but shar pei interrupts

GI2: " Well-'

Sharpei: 'So, I assume you have made a decision?'"(say fast)

GI2: "uh, yes. The mission will happen! The departure will be next Saturday. "

Sharpei "um sir I am sorry I didn't catch that, What?'"(say "what" in a stern voice)

GI2: "I said the mission on the planet___ (the planet will be outside.)Will happen next Saturday "

Sharpei: "WHAT?! Sir can I talk with you-"

GI2 "no. I have made my decision. You are dismissed. Oh, and so no other astronauts' lives are at risk, you will be alone."

SCENE 4, at bed ,wednesday night

E: "I am so glad the mission will happen!,what is wrong,you look worried,Aren't you happy Clara?"

Clara: Yeah, E: "Oh(Grace's character name)! Don't say things like that! Look, she might be right about the aliens not beingTh friendly but, it would not be your fault,OK?"

Clara:"Ok,you're right"

E: "Good night."

Clara:"Night!"

SCENE 5 , The Fashion Meeting

Jenna gets on the zoom call with her boss(korbans 2nd character)

E"Hello Joel, Today I will be showing you my 3 best designs."

"Wow Jenna... That is amazing . How many yards did you buy?"

E "3.5"

K " You spent \$1,750 on fabric?!"

E " Yep. My next Item is a Black jumper with a centerpiece. The fabric is from the rare species of

sheep-The Ash sheep.B type. The center piece is from leopard skin in a clear glass capsule."

K: I like the outfit overall but the glass capsule could have been on a belt.

E"thank you. I saved the best for last...

This Tutu is made with Real mined gems, \$3,000 lilac colored fabric, and \$1000 botanical fabric you see on the top.

Zoe (ZS=Zoe Sharpay)

ZS: "Okay so basically sharpay was opposed to your stupid mission, so the original Sharpay made a clone by using a machine she made with only one use, and she used her finger print to make a clone, but since not many people have perfected this, it can be...screwed up sometimes."

So that is why I look different than your normal, blonde sharpay.

C: "...sooooo the sharpay I was talking to on the mission launch day...was you?"

ZS: "Yep.

C: "Okay...So where are we?

Z: "yeah...about that...So basically Cray Oal holds his hostages here."

Clara: "What?"

ZS: "Okay lemme explain it better...So you know what a big brother house is?

C: "Yeah..."

ZS: "So instead of people getting out from other people and or challenges... you see that timer?"

C: "Yep"

ZS: "Okay take a WILD guess of what he does when it goes out."

C: "...does he take random people from these...rooms"

*Silence for 2 seconds while everyone sits down and looks at morgan (CY)

*Slowly zoom into cy

Cy: "Okay, so it's true...I have been here before. So what Cray does...he hacks into peoples phones or tv's. He hacks into the screen, and when we look at it...we are linked with him. *Zoom into clara for 4 seconds

There's no telling when he does it, and who to, but once they are linked they...at some point after having a weird dream that he creates because he is linked with their eyes during REM while you sleep...*Zoom into Astrid

*Zoom into Sharpay ...he teleports you to this...well killing machine. He calls it the Big Cray House. I'm Lucky I escaped alive. He also sorts the name of the houses by the first person who gets here. "

Clara: So everyone here...has been hacked...and that's why we are here.

Cy: "Well...yea"

Astrid *Cover mouth with hand

*Timer beeps reading 5:00, 4:59 etc

ZS: I don't mean to interrupt but we have about 5 minutes until that timer runs out

Clara: Wait...didnt you say they were deadly

ZS: Yes

CY: Very

ZS: Alright changing room is that way, go to the fire resistant and gravity suits

Astrid: Wait what

ZS: "Did you not hear the word deadly?"

*everyone except zoes sharpay nod silently

"Greetings specimens! If you have survived through this before, then you know that it's now time for me to pick a house! How Exciting! Okay if your house lights up green, then you are safe! However...if your house lights up red then it means you have been picked..."

Astrid & Clara: "Welcome, ever heard of a door?"

Astrid:*takes out The Outsiders

Clara: Welcome, this is apparently a prison.

Cy: Yea, I've been here before...but then I somehow got teleported to the middle of nowhere, electrical signals got screwed up i guess.

Clara: I'm guessing your lab is the hole we fell down on planet X-74 whatever.

Cy: yea

Owen:*fall in*

Clara: Dude it's a party in here- what's goin on?!

Astrid: * Close book (explain)

So basically Cray Oal captures random people who have interacted with each other and puts them in these rooms. He calls it is "House"

*re-open book

Owen: Well that's just great.

Clara: Woa! Is that The Outsiders!?

Astrid: It's actually The Insiders, it's The Outsiders dummy!

Cy: Guys listen up, I don't think Astrid knew this because Cleo gives very little info, but at some point we're gonna have to fight Cray Oal...

Owen: Dude why does this remind me of Big Hero 6?

Clara: More like Big Hero 4...

Cy: Yea and the only reason i didn't is because my signals got screwed up like I said. So we need to like...well plan.

Clara: I'm hungry...

Astrid: FOCUS!! This is important. We need to either try to run away or fight. And running away is basically impossible for us because we're not robots-

Cy: Half robots.
