

I'm Overwhelmed

Verse

I'm overwhelmed by your love
Your amazing love to me.
I never will understand
Why you chose to be my friend.
Oh I, I will not forget,
The price you paid of love on Calvary.

Chorus

Amazing Love, Amazing Grace
I'm overwhelmed with gratitude and praise.
I will rejoice, fall on my knees
Lift up my voice, a love song I will sing
A serenade of sweet worship to you

End

A serenade of sweet worship to you my king
interlude
A serenade of sweet worship to you my king
