Because the bombing of Afghanistan has both increased refugee numbers & prompted a racist backlash internationally. Because we can not stand by while more people die at sea. Because our government has some of the harshest refugee laws in the western world...

Take a stand against racism and the inhuman treatment of Australia's refugees & asylum seekers. Come & hear some of Melbourne's finest bands outside the Maribyrnong Detention Centre, Melbourne's local camp which imprisons people whose only crime is to flee desperate situations.

ALSO TRY TO BRING:

- lots & lots & lots of friends!
- coins to donate (to help cover costs)
- picnic blankets/ seats/ pillows
- sun screen & hats
- a gift or Xmas present for the people in detention & asylum seekers in our community (eg. good quality toys, games, clothes). please do not wrap them...
