

COUNTRY TIME

[INTRO]

[VERSE]

I met a girl
She was pretty as a squirrel
But She wore a hat
Just like Minnie Pearl's
Her brother said
That She gave good head
So I jumped in my car
With my best friend Fred

[BRIDGE]

[2'nd VERSE]

Drove down the road
Thinking I'd get blowed
But it ain't been so
Cause She weren't home
So we went out to eat
This ain't no shit
But we saw a fight
Between two Dykes

[BRIDGE]

[1'st VERSE]

[2'nd VERSE]

[END]

Music: Radiation Factory
