

ELSIE & THE MUSHROOM PEOPLE

Elsie and the Mushroom People
Elsie and the Mushroom People
Elsie and the Mushroom People
There they sit
In a chair and droop

Little children grow
Into Mushroom People
Little children grow
Into Mushroom People
Little children grow
Into Mushroom People
Then they sit
Staring at their shoes

Elsie what the hell
Did you go and do ?
Elsie what the hell
Did you go and do ?
Why won't you
Join us too ?

Elsie who'd you
Sell your soul to ?
