

Graysfully

Yoh !
Dig this story cause
I'd like you to know
Bout a guy born in Cleveland OH.

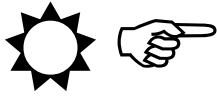

Works out on a treadmill everyday
Works out while listening to music
Only he would play

Zeppelin, Crimson and the blues
Are just some of his
Favorite moods

But if you're a real
Lucky Fool
Lets you jam
With him too

{CHORUS}

He burps
He farts
Eats all my pop tarts
Graysfully

Graysfully

Big Foot, UFOs
Even Johnny Quest
Views the shows he likes best

Wallpapered deer in the hallway
Skating figures too
Just couldn't stand them
So he bid them all adieu

Motorcycle riding is a dream
Obsessions that make us all
Wanna scream

{CHORUS}

Watches cable
Blows nose at the table
Dudes loved best on this planet
Heaven above
The whole gamete

{CHORUS}

Music: Radiation Factory
Lyrics: Kallie Bokal
