

VEGETABLES

I wish I had some
Pea, Pea, Peas
And some fresh green
Bean, Bean Beans

With Cauliflowers
On the side
Radish, Carrots
Appetize

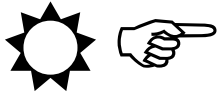

Cucumbers taste so fresh and clean
Tomatoes on the side

Don't want to eat
Beef, Beef, Beef
Nor or any
Pork, Pork, Pork

Stay away from red
Meat, Meat, Meat
And food with
Feet, Feet, Feet

All good creatures
Run , Swim, Fly
It's a shame when they Die

Music: Radiation Factory

THE RADIATION FACTORY
