

CORPORATE NAZI\$

[INTRO]

[1'st VERSE]

Got my OS from Microsoft
It locks up on me every day
And when they get a fix
You know I'm gonna pay

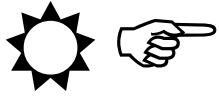

{CHORUS}

*Ya got to feed the Corporate Nazi
If you wanna play
When you deal with
A Corporate Nazi
You know you're gonna pay*

[2'nd VERSE]

Take my vacations at Disneyland
A big rubber mouse to see
Everything is animated
For 3 days it cost me a grand

{CHORUS}

CORPORATE NAZI\$

[3'nd VERSE]

I watch cable TV
I see all the shows
There is nothing new on for me
And half the channels are snow

{CHORUS}

[4'th VERSE]

I buy gas at BP
I have a charge account
I buy Beer, Bread and Gas
They even let me pump it myself
Oh don't ask me why
I have to feed the Corporate Nazi

{CHORUS}

[BRIDGE]

You know the Corporate Nazi
Have everything going their way
Beware the Corporate Nazi
Their gonna have their day
When you deal with the Corporate Nazi
Ya know your gonna pay
