

HALLELUIA

{CHORUS}

Halleluia Halleluia

Halleluia Halleluia

Halleluia

[1'st VERSE]

Oh Lord my dog is dead

And you killed him

{repeat chorus}

Oh my dog died for you

And you killed him

{repeat chorus}

You stole my parking spot

{repeat chorus}

You kicked me in the shin

But I can still grin

{repeat chorus}

I wish you would go to Church

More than just on Christmas

{repeat chorus}

You put my fish in a punch bowl

And I drank him

{repeat chorus}

I want you to kiss me

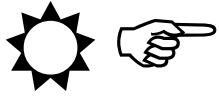

Under the mistletoe

{repeat chorus}

I drove my car real fast

But you smashed it

{repeat chorus}

HALLELUIA

You bought me a present
For a dollar ninety three
And I can't return it

{repeat chorus}

Can I hang more tinsel
On your Christmas tree

{repeat chorus}

I got my check today
But you cashed it

{repeat chorus}

You sent a Xmas card
From me to the prison

{repeat chorus}

Take you fruit cake
Back home with you

{repeat chorus}

I made a great big meal
But you ate it

{repeat chorus}

You set my tree on fire
And put it out with pee

{repeat chorus}

Get the cat out of
The Xmas tree now

{repeat chorus}

I sang my song on key
But you trashed it

{repeat chorus}

Music: Radiation Factory

Lyrics: Anson Russell / Bill Stone / Tom Bokal
