

Up on the Housetop With Jacky Tomatoes

Up on the housetop
Big and fat
That's where are buddy
Jocko sat

Telling lots of stories
And flapping his lips
He'd go down the chimney
If it weren't for his hips

{CHORUS}

*B-B-B
Is what he says
B-B-B
Is what he says*

Up on the housetop
Big and fat
That's where are buddy
Jocko sat
