

## **TIN SOUL**

### **[1'st VERSE]**

I just ran out of tin soul  
For the tree  
Tin soul comes in red  
Tin soul on your bed  
Tin soul comes in blue  
And green and chrome  
I just ran out of tin soul  
For the tree

### **[2'nd VERSE]**

Tin soul on the floor  
Tin soul on the door  
Tin soul on the tree  
More tin soul  
Tin soul, tin soul, tin soul

## **TIN SOUL**

### **[3'nd VERSE]**

Tin soul on the tree  
Tin soul more for me  
Tin soul under wear  
Tin soul I don't care  
I just want to put some more  
On the tree

### **[Final VERSE]**

Tin soul on the tree  
Tin soul more for me  
Tin soul la la la la la  
A soul made of tin  
A soul made for sin  
Tin Soul  
I like tin soul I like it  
She touched my tin soul Steve  
Tin soul on the tree  
Tin soul
