**Thursday, June 25, 2009**  
**Social: 6:00 PM Dinner: 6:30 PM**

This week's guest is Rebecca Dunn, who will be discussing foster care for children. With everything going on in this world of ours, this program will focus on a very important subject—one that many of us haven't thought about. The program promises to be very informative and timely.

Lion Bobby Arnold says that this week's meal will be furnished by Country Kitchen, so it promises to be a good one!

### Lions Magazine for June

If you haven't had the time to look through this month's *Lions* magazine, now would be a good time to do so. Kathy Saunders article "Lion 2.0: Who makes a good Lion?" talks about ways we can get former members to rejoin the club. As she says: "Retention can be improved if clubs avoid the pitfalls that lead well-intentioned Lions out the door. The same that originally lured them in will not keep them in unless a club can accommodate their schedules and needs."

There's also a very short article that covers the "Lions e-Clubhouse." The Lions new web site. It covers such things as LCI Links that provides the latest news and updates from LCI, including links to Lions Quarterly, Lions Learning Center and Lions emergency/non-emergency assistant information. Also included is a description of the Calendar of Events, a Photo Gallery, Group E-Mail, How to post public newsletters and other publications. Finally, the article also talks about the Site Guide and Standards.
