Responsible for designing all management scheduling, production management and controlling, maintenance planning, job scheduling, and operational training for new employees. Responsible for conducting training course on machine handling procedures based on working methods for shop floor personnel, implementing and adapting new working methods, and translating technical and technological information from English into Portuguese and vice-versa.

Educational Background:

- **Information and Computer Engineering**, training instructors' course.

The Polytechnic University - <http://www.uitec.ehdo.go.jp/overview/international.html>

4-1-1, Hashimotodai, Sagami-hara-shi, Kanagawa 229-1196 - Tel: 042(763)9005/Fax: 042(763)9011

Course Object:

- *Computer Manipulation*
- *Programming*
- *Data Communication*

- **Intensive Japanese Language Course**, Hachioji International Training Centre, JICA, Japan International Cooperation Agency, Hachioji, Tokyo, Japan.

- **Advanced English Course** - Excellent English skills (oral and written), Intermediate English Development Course.

- **Technical Drafting**, SENAI, Departamento Regional de Pernambuco, Recife.

The Technical Drafting program provides students with the knowledge and skills necessary to translate ideas, sketches and specifications into accurate working drawings, using both manual and computer-assisted drafting techniques. The course content of Technical Drafting includes credits in architectural, civil, machine and miscellaneous drafting.

- **Graphical Design**, SENAI, Departamento Regional da Bahia.

Seminars and Trainings

- **Autodesk Boot Camp Brazil** FY 2007 – Rio de Janeiro, 8-11/5/2007
MSD - Manufacturing Solutions Division
- **Certificate Autodesk Partner Services Exam - PSE** – AutoCAD Mechanical 2007
Test A-T-ACADM2007-PSE, taken on 7/25/2006 2:04:40 PM EST - Test Results: 96%

In-Plant Training and Improvement Courses:

- **Nihon Unisys Co. Ltd.** - Database Design.
Tokyo Education Center
KR Toyosu Bldg., 5-4-9 Toyosu, Koto-ku, Tokyo, Japan
Zip : 135-0061 Tel : 03-3532-2981
- **OMRON Corporation** - Advanced PLC - Programmable Logic Circuit.
- **OMRON Corporation** - Sequence Circuit - Programmable Logic Controller.
Address Gate City Osaki, West Tower 14F, 1-11-1, Osaki, Shinagawa-ku, Tokyo, 141-0032 JAPAN
Phone 81-3-3779-9016 - Fax 81-3-3779-9019
- **Ando Electric Co. Ltd.**, Optical Fiber Communication.
Yokogawa Electric Corporation - Communication & Measurement Business Headquarters
Address: 9-32, Nakacho 2-Chome, Musashino-shi, Tokyo, Japan
Tel: (81)-422-52-6768 - FAX: (81)-422-52-6624
- **Hitachi Electronics Services Co. Ltd.**, TCP/IP Construction and Management/Introduction of Network Management.
504-2 Shinano-cho, Totsuka-ku, Yokohama-shi, Kanagawa 244-0801, JAPAN

Computer Skills:

- AutoCAD Mechanical – releases 2006 thru 2008
- Autodesk Inventor 10-12(2008)
- AutoCAD – releases 10 thru 2008
- Microsoft Windows – 3.1 thru XP, NT4.0 thru 2000/Vista
- Microsoft Office Professional – 97 thru 2003
- Microsoft FrontPage – 97 thru 2002
- Microsoft Internet Explorer – 1.0 thru 6.0
- Adobe Acrobat – releases 5.0 thru 6.0
- Hardware configuration and software setting-up.
- Administering Microsoft Windows NT 4.0
- Structured cabling system
- Desktop publishing: CorelDraw, Adobe PhotoShop.
- Computer Languages: HTML, JavaScript.

Technological Expertise:

Hardware: extensive experience on PC-based platforms, setting-up components, operational systems and LAN management.

Software: extensive knowledge of computer aided design application, modeling parts, part assembly and documentation using Autodesk software's, such as Autodesk Inventor and AutoCAD (new release).
