Dear Sponsors

I would like to take this time to let you know about one of Canada's finest Taekwondo athletes. Radomir Samardzic is currently on the National University Taekwondo Team and will be attending the 2005 Universiade in Izmir, Turkey in August.

Radomir is a two time Ontario Provincial Champion and a current National Champion who has recently returned from competing at the 2005 World Taekwondo Championships in Madrid, Spain. This was Radomir's third time participating at the World Taekwondo Championships.

When Radomir is not training to become the best in Canada he is giving back to the community. Radomir is a certified Provincial Taekwondo referee and very active within his church community.

If you have room in your budget to sponsor a Canadian amateur athlete, you cannot go wrong by supporting Radomir Samardzic.

If you have any questions please do not hesitate to contact me.

Sincerely

Eric Smith
Executive Director
