ABOUT ME

My name is Raegan Oliver. I am a very tech savvy person who is very handy whenever it comes to electronics. I am known to be really good at figuring out how to do certain things when it comes to electronics. I am capable of using either a PC or a Mac. A few of the key programs I know how to use well are: Microsoft Word, Excel, Powerpoint, Keynote, Adobe Photoshop, Adobe Indesign, Adobe Illustrator, and many others.
