

Richmond Area Historical and Genealogical Society
Macomb County, Michigan
Ancestral Certificate Program

Eligibility:

To qualify for an Ancestral Certificate, an applicant must be directly descended from an ancestor who settled in the Richmond, Michigan area as follows:

- Trailblazer Prior to Michigan Statehood (31 December 1837)
- Pioneer 1838 – 1870
- Settler 1871 – 1904
- Builder 1904 – 1937

Each ancestor in the direct line must be proved. Anyone may apply. Applicants need not have ever been residents of any of the townships surrounding Richmond, Michigan. After proof of direct descent has been submitted and eligibility has been determined, we will mail the appropriate certificate. Separate certificates will be issued for each ancestor properly submitted. The fee for each initial certificate is \$10.

Purpose:

The Richmond Area Historical and Genealogical Society is promoting an Ancestral Certificate Program. The threefold objectives are as follows:

- 1) to recognize pioneers and early residents who came into our region and helped write its history.
2. to encourage basic knowledge of genealogical research. We will provide easy instructions and help in researching early area residents. We will not, however, do the research for you.
3. to provide a resource for future generations who seek to find their ancestors who settled our portion of this great land.

Linking oneself to the past is an excellent way of building family pride and self-esteem. We hope you will join in our effort to record and preserve our early Richmond, Michigan area history.

The entire contents of this package may be freely copied if you wish to give a copy to another researcher, or use it for yourself for multiple ancestors. If you picked up this packet in hardcopy, additional copies may be downloaded from our website at www.geocities.com/raghs48062/

The completed application form along with supporting documents should be mailed to:
Richmond Area Historical and Genealogical Society
P.O. Box 68
Richmond, Michigan 48062

Pedigree and Family Group Sheets may also be submitted to the society for use by other researchers.

All material submitted will become the property of the Richmond Area Historical and Genealogical Society and may be used in future publications by the Society – both printed and electronic. This does not prohibit you from publishing your own data if you should desire.
