## Viktor B. Raspopov

---

### Personal Information

Marital status: married  
Nationality: Ukrainian  
Age: 52  
Place of Birth: Kyiv

### Fields of Interest

- Mathematical Modeling
- Optimization
- Applied Programming
- Teaching in Computer Science, IT

### Education

- 1975 – 1978 MPTI - Moscow Physical Technical Institute  
**Ph.D.** (Candidate of Science) in Physics and Mathematics  
Specialization: Software Development
- 1969 – 1975 MPTI - Moscow Physical Technical Institute  
**Engineer Diploma** in Automatic Controlling Systems

### Professional Experience

1987 – present Applied Informatics Research and Training Center,  
the National Academy of Science, Kyiv

#### **Associate Professor (Docent)**

- Teaching in Computer Science at the Ph.D. level
- Applied mathematical modeling and simulation
- Applied Programming (Delphi, Visual Basic, VBA, HTML etc. )

1978 – 1986 Glushkov Institute of Cybernetics,  
the National Academy of Science, Kyiv

#### **Scientific Worker at the Simulation Systems Department**

- Mathematical modeling
- Modeling in technical and economic fields
- Applied programming (Pascal, Fortran, Nedis, Algol, Basic etc.)

### Languages

English (fluent)  
Russian and Ukrainian (native languages)
