THE PRESIDENT'S CORNER: *ALPHY'S NOTES*

By: Alphy Norman

Mark your calendars for our kick-off potluck on February 15th, 2009, announcing our incoming officers and a list of up-coming events. If you have moved, have a new address, phone number, e-mail, or cell phone, please bring that information to our pot luck kick- off. It will be held once again at the MEADOWVIEW CLUB HOUSE in Temecula at 1:00 p.m.. A special thanks goes to the Gilroys for providing us with this great room for our special event. Look further in this newsletter for a map and the address.

Remember to bring one of your favorite dishes to share. You can choose from a salad, a main dish, a side dish or a dessert. We will also have a brown bag auction. (The brown bag auction consists of something you have, or purchase, and is nice enough for someone to bid on. You place it into a brown bag and it is auctioned off.) We are looking forward to having a good time.

Cruise Night was a great success. We missed several of the ole' timers who usually show up to this event. December was a bad month for many, but they were glad to see us this month. We did sign up several new members and we welcome them into the club and hope to meet them at the potluck dinner.

VICE PRESIDENT'S REPORT

By: *Mike Kienitz*

We received a special request from the Chateau at Harveston, a retirement facility in the Harveston development in Temecula, to showcase a few of our classics. They invited us to display our cars so that they could be enjoyed by the residents. This included lunch at their facility and possibly a financial donation to the club's treasury. Those who will participate in this event on Monday, February 2 include:

Mike and Betty Kienitz '49 Cadillac Limo

Bill and Cynthia Brown '59 Cadillac

Bud and Marge Gilroy '40 Ford two-door standard

Dick and Nancy Benjamin '55 Hudson or Packard

Jim and Virginia Kelly 1901 Oldsmobile

Andy Zun '55 Buick

Harvey and Tolly Williamson '40 Hudson

Dan Kratzer '62 T-Bird

We were contacted on rather short notice to participate in this event, and they specifically requested a rather small number of cars so we could not open it up to the whole club membership. But, it's nice to know our club's good name and reputation are out there and we continue to be invited to "show off" our cars within the nearby communities.

We are looking forward to the February potluck and brown bag auction! It's always a challenge to outbid someone for some unknown treasure that lies buried deep within an anonymous brown bag! Who knows what lurks there?? We hope you are thinking of some interesting places to suggest for outings and adventures during the next year. Please come armed with some ideas that can be developed into interesting and fun day or even weekend trips. Don't forget – we need people to help set up (come at least 45 minutes early) and clean up. **See you on the 15th!**
