PRESIDENT'S COLUMN – *ALPHY'S NOTES*

By: Alphy Norman

Summer is upon us, and we hope that everyone has a great one. Our next meeting will be on July 21st, the 3rd Tuesday of the month, and we are looking forward to seeing everyone at Carrows in Murrieta.

Remember, we are still doing our Cruise Nights; so come out and support this event. We are down to just four meetings a year. Hopefully, we can encourage everyone to attend the meetings, and also to join in any of our upcoming tours, car shows, etc.

If you have any news, information on anyone's illness, or would like to tell us about one of your classics, please turn them into Betty, our newsletter chairman (e-mail at mbkienitz@verizon.net . She is doing a great job, but also needs support from us members.

We have an upcoming car show here in Hemet put on by the Knights of Columbus. The date is Sunday, June 28, from 2-6 p.m. The cost is \$15.00 – it includes dinner for the driver and one guest. (Where can one go for that price!) If interested, give Mark Norman a call at 652-1155, and he will send out a form to you. We will be taking them also at the door, but a special line will be for those who have pre-registered. So, get those classic beauties shined and roll on up to Hemet !

Happy Father's Day to all you Dads! See you at the Father's Day Car Show!

VICE PRESIDENT'S REPORT

BY: Mike Kienitz

We need everyone to put on their thinking caps, put the "pedal to the metal" and make your way to our TVCC Siggy's Cruise on Saturday, January 13 and to the quarterly business meeting at Carrows on Tuesday evening, July 21. We need your ideas and your help and support to keep the club active and the cruise nights a time to shine for the community and for remembering a time when cars didn't all look alike and the highways were for cruising, not for racing from one destination to another. Please try to attend the meetings and the cruise nights!

Murrieta Fathers' Day Car Show. This is a traditional (by now almost historical) time to join with many other car buffs in the surrounding community to spend the day with family and friends displaying your classic and sharing your love of cars with others who will bring their own treasures to compare and share. It's a time for families to bring dads and granddads to enjoy the displays of custom, historical, and unusual vehicles. We hope you will be able to join us. Besides the cars there will be food, vendors, and attractions for the kids. If you haven't already done so, please contact Mike Kienitz (mbkienitz@verizon.net or phone: (951) 660-7168) or Skip Humphrey (intl.plasticsequip@verizon.net or phone (951) 244-2904) for information. In order for TVCC members to be located in one area of the Cal Oaks Sports Park , we will be meeting at Carl's Jr. across from the park before 6:00 a.m. and will cruise on over to the park as a group. We look forward to seeing many of you there.

Armed Forces Day Celebration, Menifee. Several TVCC members and their friends participated in the Armed Forces Day Celebration sponsored by Good Shepherd Lutheran School in Menifee on May 16. We were one of many different displays and activities scheduled for the day. Not only were all military personnel honored that day, but the day was devoted primarily to support a wounded veteran of the Afghanistan conflict, Ryan Matthew Price. Ryan was severely injured – injuries which included the loss of both legs. Donations went to his family and himself to help cover the cost of adding a room to his home and medical expenses. Those from TVCC who attended were: Mike Kienitz and his '49 Cadillac, Jim Kelly with the 1901 Olds, Andy Zun with the '55 Buick, Dennis Applegate with his '34 Chevy Sedan Hot Rod, Les Durham and his '59 VW Bus, and Sam Reed and his '56 Ford Wagon. TVCC donated \$50 to Ryan's fund raising and most of the participants also bought items for care packages for the Marines. It was an enjoyable afternoon spent for a worthwhile cause.

**HAPPY FATHERS' DAY TO ALL THE DADS, GRANDDADS, GODFATHERS, UNCLES,
BROTHERS, TEACHERS, AND FRIENDS WHO HELP SUPPORT A CHILD! YOU ARE SPECIAL!**

FALLBROOK MEMORIAL DAY CAR SHOW REPORT

By: Bill and Cynthia Brown

We left Siggy's with four cars at 6:30 a.m. Jack Williams (Skip's friend) had his 1951 Mercury. Skip drove Jack's 1920 Model A with a Chevy engine. History was made on that one. Wes Peterson had his Mustang and I (Bill Brown) had my 1959 Caddie. We picked up Harvey Williamson with his Plymouth on the way. We all parked together as a club. After arriving, we found Don Kratzer, who had his T-Bird. Don won the only trophy in our club.

As usual, it was a nice car show, and the weather was perfect. We also ran into Duncan and Jean Miller. I had a good talk with Duncan, and his health is better. He still has problems, but is looking forward to recovery with more treatment and a loss of weight. Oh yes, he had his Pontiac convertible.

This car show was hosted by the Browns and Petersons and was TVCC's May event.

SIGGY'S CRUISE NIGHT REPORT – MAY 9, 2009

By: MARK Norman

Even though it was Mothers' Day Weekend, and there were several other car shows scheduled, we did get some new people out for the show. Although we had enough to do the cruise, there were several people that did not register – what a shame, for there were some neat cars.

Axel Draggers again showed up in full force, and we appreciate them coming out to our show. We are still hoping to see some of our old timers come back.

Our next Cruise is on Saturday, June 13th; and we hope to see some of our members join in on the fun.

Chairman's Choice	Sherri Nash	33 Ford Coupe
Best of Show	Dennis Applegate	34 Chevy

EDITOR'S NOTE

By: Betty Kienitz

My apologies to all for the lateness of the newsletter this month. My computer must have gotten bit by some kind of bug a week or so ago. Or else it was just being its undisciplined self. But, strange things were happening and the printer simply decided it was a good time to go to sleep and avoid the issues all together. For some reason, they have corrected themselves and I took advantage of the situation to get the newsletter out before the bug struck again. The doctor has been sent for and hopefully a cure can be made.

The newsletters in between quarterly business meetings could use some extra articles once in a while, So, as Alphy said in her column, feel free to send me any information about trips you and your car have made, events attended, or other general car-related articles. We hope to see everyone at the Cruise Night, the Dad's Day Car Show, and the business meeting. Have a great Fathers' Day, Flag Day, and any other occasions you are celebrating!
