THE PRESIDENT'S CORNER:

By: Alphy Norman

We had a small meeting but real informative. We welcomed a guest (Pat Walsh) who, in turn states that she and her husband will be joining our club. I opened up some of my e-mail and found that the Walsh's have now joined our club. Welcome aboard to TVCC!

Our decision as to where our Christmas party will be held was that it will again be held at the Allarie's home, with a buffet dinner. (Mae and Henry have offered their home to our club, which they had also done a couple of years ago.) Thank you, Mae and Henry! Please read more in the minutes that were taken.

Mini Tour information was announced (as you read this, it probably is already closed) and so was the National Tour. For those who are waiting to send their registration in for the National Tour, because of tax time and other taxes, they may do so with a post-dated check. But it must be received before August 1; after the first, it will be closed. So, with the way the mail service operates these days, no guarantees that you will be on the list. Also, I understand that the hotels are filling up fast. Please make sure you get in early on

the motels; they do not charge until the date of arrival. Remember to say that you are with the CHVA 2008 Tour.

I just returned from a vacation in Nevada and had company the next day, so I am running a little behind. Our next National Board meeting will not take place until June, due to the fact that some of the board members are on vacations or attending to other personal business. Only the regular Board and General meeting will be held for TVCC on May 20th. Graduation time is also coming up, so this will be a busy time for a lot of us!

Good to hear Cynthia Brown is doing well. Soon she and Bill will be back to attending our events. A speedy recovery to both Cynthia and Virginia Kelly!

In closing, I would like to wish all the MOMs a Happy Mother's Day!

VICE PRESIDENT'S REPORT:

By: Mike Kienitz

We're fortunate to have two special events scheduled this month - the Fallbrook Car Show (sponsored by the Browns and the Petersons) and the tour of the Riverside Western Municipal Water district (sponsored by Skip and Nancy Humphrey). We look forward to joining other car enthusiasts for a day of displaying our cars and competing for awards in Fallbrook and for a special tour of the water district and gardens and information on the use of drought resistant plants and flowers at the Riverside Water District. Many thanks to the Browns, the Humphreys, and the Petersons for arranging these dates.

Thanks again, also, to the Allarie's for offering their hospitality for our Christmas party. Although it is still many hot months away, we will look forward to that event.

We still need ideas and sponsors for events for the months of July, October, and November. Please be thinking of places to go and things to do. Team up with other members to help arrange an event and lessen the amount of time and work it will take. These special occasions are important in the life of the club.

Happy Mother's Day to all the mothers, grandmothers, aunts, sisters, and friends - it takes the efforts of all of you to raise the next generation! You are appreciated!

TOUR - RIVERSIDE WESTERN MUNICIPAL WATER DISTRICT:

By: Skip Humphrey

On Saturday, May 31st, we are going to meet at Siggy's at 10:00 a.m. We will leave promptly at 10:30 a.m. and head north on the 215 (any members from Hemet may join us on Newport Road or Highway 79 coming from Hemet). Please contact me on my cell at (951) 830-7010 to co-ordinate this.

We will exit at Alessandro Blvd., and head east several miles (I will have a clearer idea of the distance the morning of the trip). We will meet at Cactus Cantina, 151 E. Alessandro Blvd. The restaurant is in a large shopping center on the left. They have a very varied menu, not just Mexican food. After lunch we will go to the north side of Alessandro Blvd. to the Riverside Western Municipal Water District for a 1:30 guided tour, where we will see all of the flowers in bloom, and learn what to plant to conserve water. They will give us all kinds of information on drought resistant plants and flowers.

We can drive our collector cars or modern irons. Plan on having a great time with your fellow TVCC members.

SIGGY'S APRIL 12, 2008, CRUISE REPORT:

By: Duncan Miller

The weather was great for our April Cruise Night, and we had 30 cool cars show up. There were quite a few cars we had not seen before as well as many "regulars" at the cruises.

All in all it was a nice outing and everyone seemed to have a good time. The Axel Draggers won the most-attended prize for the evening again, and we again thank them for their support. Jim Kelly and Erin both again provided their time to help with the cruise, and Mike and Betty did another great job with the raffle prizes. We also got help from Skip Humphrey and Erin's boyfriend, Joe, with the judging.

Raffle ticket sales totaled \$154 and the 50-50 drew only \$26 in sales. (I am starting to think the wild gas prices are affecting our ticket sales as just driving our old cars can be a pretty expensive trip.)

We awarded trophies to the following participants:

IN PROGRESS

MINUTES

APRIL 15, 2008, BOARD AND GENERAL MEETING: By: Nancy Humphrey

Minutes of the April 15, 2008, Board and General Meeting of the Temecula Valley Car Club, held at Carrows in Murrieta, Ca.

Those in attendance were: Alphy Norman, Celestina & Mark Norman, Harvey Williamson, Nancy & Dick Benjamin, Carol & Wes Peterson, Mae & Henry Allarie, Nancy & Skip Humphrey, and a guest, Pat Walsh, (who with her husband, Joe, will be joining the club. Pat owns a 1963 Mercury Monterey.)

The meeting was called to order by President Alphy Norman at 6:27 p.m. She welcomed Pat Walsh. Pat inherited the car from her late father. We look forward to her becoming a member.

Wellness report was given by Skip Humphrey. He stated that Cynthia Brown has had her surgery; they found no cancer and she is gaining strength and we look forward to having nurse Bill and Cynthia back at our meetings and events.

Secretary Nancy Humphrey asked for a motion to accept the minutes as printed in the newsletter. A motion was made, seconded, and it was approved.

Treasurer Harvey Williamson gave the treasurer's report. A motion was made to accept it as read. It was seconded and passed. He also said he was working on a new roster. He also announced that we have 34 members.

The following committees were not able to give reports, Newsletter (do remember to get all info to Betty by the 20th of each month), Cruise Night, and Monthly Activities.

Club Historian Mark Norman has all of the books up to date.

Publicity Chairman Skip Humphrey has all of our Cruise Nights listed in both papers, but he has to remind the Press Enterprise to be sure to get our date two weeks prior to the next Cruise Night.

Wes Peterson has asked anyone who has not signed up for the Fallbrook Car show to please contact him.

Skip Humphrey gave a report on the May 31st trip to Riverside's Western Riverside Water District for a guided tour, and to show us how to conserve water by planting water conserving plants and flowers. See a more detailed report elsewhere in this newsletter.

The CHVA Tour from Medford, Oregon, will be on May 14th. The National Tour from Palm Springs to San Diego is filling up fast; it will begin on October 3rd.

New Business. It was agreed that we would have the Christmas Party at the Allarie's home. It will be a buffet. The cost will be between \$18.00 and \$20.00 per person. It will be held on December 7th which is a Sunday, It will begin at 4:00 p.m. Mae asked that we bring FANCY COOKIES.

One of our Cruise Night friends that comes almost every month with the Axel Draggers, Bill Mayfield, is looking for volunteers to take a trip to Camp Pendleton to take some of the injured veterans from Iraq to a luncheon on the base. We should use our old cars, and it will have to be on a weekday. He will probably pick a June date for this. Once we have more information, a splash e-mail will be sent with a contact number.

With no further business to discuss, a motion was made to adjourn. It was seconded and approved. We adjourned at 6:59 p.m.

Respectfully submitted by Interim Secretary,
Nancy Humphrey

Editor's Note: Yep, you are getting a second copy. This is why I should not type the newsletter at 1:00 a.m. While re-reading it after a good night's sleep, I noticed the last paragraph in the V.P. Report made absolutely no sense - maybe some of you were able to switch words around so that it did. But, for everyone else, I decided it would just make more sense to re-send a corrected copy. Happy Mom's Day again!

Betty
