

Our hair shall never turn grey,  
 Never.  
 There is no blank in this world for us, no break in our road,  
 It may be an illusion that we follow,  
 But it shall never play us false,  
 Never.  
 Our hair shall never turn grey,  
 Never.  
 We will never doubt the world and shut our eyes to ponder.  
 Never.  
 We will not grope in the maze of our mind.  
 We flow with the flood of things, from the mountain to the sea,  
 We will never be lost in the desert sand,  
 Never.
