

I lose thee, to find thee back again and again,  
 My beloved.  
 Thou leavest me, that I may receive thee all the more,  
 when thou returnest.  
 Thou canst vanish behind the moment's screen  
 Only because thou art mine for evermore,  
 My beloved.  
 When I go in search of thee, my heart trembles  
 spreading ripples across my love.  
 Thou smilest through thy disguise of utter absence,  
 and my tears sweeten thy smile.
