The background of the entire image is a photograph of a swimming pool. In the center, a group of about seven people are gathered together, possibly on a small inflatable ring or just huddled together. They are in the water, which is a vibrant blue. In the background, a large, wide water slide structure is visible, with water cascading down its sides. The slide's surface is light blue and white with some darker blue accents. The overall scene is bright and summery.

Sunnyside Pool

Do you want to experience summer the right way

Welcome

Sunnyside Pool is a family oriented pool where we put the emphasis on having fun and good times. There is a fully qualified staff working at all times to ensure your safety.

Sunnyside Pool offers various activities and programs for everyone. We have four competitive teams, different types of lessons, leaders program, family BBQ nights and Early Bird Swim.

So experience summer the right way and join today.

Teams

The team programs we offer are swim team, waterpolo, diving and synchro.

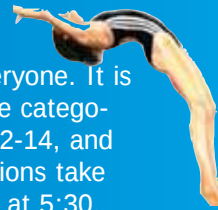

Swim Team

Swim Team

Swim team is open to everyone. It is divided in to five age categories: 8 and unders, 9&10s, 11&12s, 13&14s, and 15+. We have five regular season competitions throughout the summer. These competitions take place every Wednesday night at 5:30. After the last regular season competition there is time trials, which determines if you go to the "Big Meet" where you swim against eighteen different pools.

Diving Team

Diving is open to everyone. It is divided into three age categories: 11 and under, 12-14, and 15+. These competitions take place Tuesday nights at 5:30.

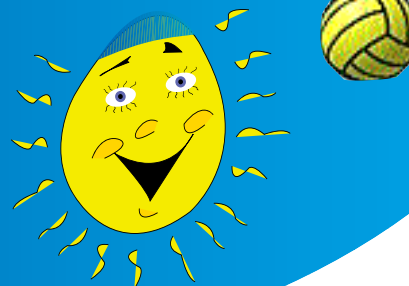

Synchro Team

Synchro is open to everyone but it is a female dominant sport, but males are more than welcome to be part of the team. It is divided into three categories: pre-junior (8 and under), juniors (8-12) and seniors (13+). There are soloist, duets and teams. There are only two competitions for this sport: semi-finals and finals. Everyone makes it to finals, semi-finals is just for placing to see where you start at finals.

Waterpolo Team

Waterpolo has four different teams: girls 14 and under, boys 14 and under, girls 16 and under, and boys 16 and under. All of these teams compete the same day one right after the other.

Programs

Lessons

We offer a variety of lessons, swimming, waterpolo, diving and synchro. Each of these lessons is designed to teach you the basics of that sport and help you excel at it

Taking a break from learning

Leaders

Leaders program is for people aged 13-15. In this program you will learn how to become a lifeguard. If you are in this program we offer bronze medallion and bronze cross for free. This way you can get a step closer to becoming a lifeguard.

Early Bird Swim

If you want to get a work out before you head off to work for the day drop by for Early Bird Swim from 6-7 week days and 11-12 on weekends.

Hard at work

Family BBQ Nights

Every Sunday night is Family BBQ night, bring whatever you can grill and get to know the other families while enjoying your dinner.
