Highlights of meeting

Club meets with UPLB organizations

11 January 2007—RC Los Baños Makiling met with representatives of organizations: Kappa Epsilon UPLB Fraternity and the UP Luntian. Kappa Epsilon is planning to have a medical mission at the Tahanan ng Ama, Putho-Tuntungin on 3 February, and they have invited the club to co-sponsor the project. They requested the club's assistance in inviting doctors. PP Kathy was requested to contact the Laguna Medical Society. PP Eli suggested that Kappa Epsilon write a letter to Mayor Caesar Perez for the food.

Meanwhile, UP Luntian invited the club to participate in their anniversary celebration on January 22-26 and requested the club's help in some of their projects, particularly the essay writing contest and exhibit.

Dir. Vio and Pres. Lumen invited the organizations to send additional representatives to YES 1. Pres. Lumen also sought the students' commitment in attending the weekly

sessions. Dir. Vio suggested that the orgs send at least one rep each.

YES 1 has a total of 18 modules, which are held every Thursday at 5.15pm at The Learning Place. Dir. Vio conducts the YES training.

In the coming Rotary year, I ask all of you to join me as we Lead the Way to a better Rotary and better communities.

William B. Boyd, RI President

Today's Rotary Prayer

Dear Lord, you declared that " when two or more people are gathered in Your name, You Are in the midst of them. Anoint us therefore with your warmth and grace, guidance and enlightenment that as we discuss ways to help our less endowed brothers, our resolve to carry on will be heightened.

O God, help us to understand that it is only by serving others in Your name that wherever it leads us, we are following You. As we in turn lead the way for those behind.

Lord, be with us today and grant us renewal of faith and hope. Keep us aware that we are here to serve and lead the way. A M E N.

for High school students in Los Banos. The theme of the event is "Environment" and aside from the contest, they will also have an exhibit. Pres. Lumen said that this project is also in the pipeline so it is a good opportunity for the club to join. The club committed to sponsor the first prize which amounts to Php 1000.00. Dir. Vio and PE Lynda will also be among the judges for the contest. Dir. Vio also suggested that they invite other high schools to participate in the contest e.g. Pansol, Masaya, and Community High. PE Lynda will try to invite these schools too.

Fund raising activity

The current financial state of the club cannot support some of our projects. PP Eli suggested organizing some fund-raisers and for the members to contribute Php 50.00 every meeting to support or subsidize the fees of officers attending district events and other project expenses.

New meeting schedule

The club meeting schedule has been moved to Friday, 5:15pm at The Learning Place to allow other members who have classes on Thursdays to attend the meetings and also to provide members who miss the regular meetings with the opportunity to make up by attending the RCLB meeting every Thursday evening.

This schedule takes effect immediately.

Scholarship guidelines under review

The club is now reviewing its guidelines for accepting and screening scholars. Dir. Vio, the chair of the Vocational Service Committee, heads this subcommittee on scholarship.

The club currently has one scholar, Marlon Valenzuela, who is studying at the Laguna State Polytechnic College (LSPC). He is taking Education major in Mathematics.
