Texas A&M Recruits!

The Texas A&M Chapter has been very busy this semester recruiting. They have enacted several social and joint events to get all of the new members involved and comfortable with the chapter.

Chapter president, Kristen Davis, has been very hard at work creating a more productive and interactive team.

Table sits were also held as well as an open house on January 27 and a joint meeting with the Arnold Air Society. Davis also held a new member social at a local restaurant to begin the bonding of her new member class.

Texas A&M has done a terrific job in organizing their chapter in order to improve relations among members. Keep up the good work!

...And Region Member of the Month goes to...

Katie Stephens from Texas A&M is not only our National Member of the Month, she has also been named Region Member of the Month.

Alex Pyle, Hughes Chapter Vice President states, "Katie is a model member, staying on top of her duties, making members feel welcome, and representing a business woman wherever she goes."

During her time in Silver Wings she has aided in the planning of new member orientations to help new members better associate with the organization, and she has also strengthened relations between the Squadron and the Chapter through her enthusiastic approach to giving new ideas and offering different perspectives on situations.

One of her greatest accomplishments is making it her goal to promote Silver Wing's ethics of service to Air Force and the growing community. Through this she has also begun working with the USO to serve pilots and their families.
