### About the Host Institution

Government Engineering College Thrissur (GECT) is one of the premier technical institutions in the state of Kerala. It has an enviable track record of producing multitude of illustrious alumni all over the globe. The college has already organized a series of prestigious events within the campus as part of its year-long Golden Jubilee celebrations. The campus is located at Ramavarmapuram, about 4 kilometres from Thrissur city and spread over 75 acres. The college is offering 8 UG courses and 4 PG courses in various branches of engineering and is the Research Centre in Mechanical Engineering under the University of Calicut.

### Introduction

In today's highly competitive market, being good enough is no longer good enough. To meet the challenges in the competitive market, scientific management of quality is of paramount importance. Thus, like other areas of management, management of quality has been emerged as an extremely important functional area of management. In this context, this short term course on *Recent Trends in Quality Management* is designed and launched in order to make a thorough awareness among academicians and professionals about the modern trends, techniques and tools in the field of quality management and related areas.

### Course Content

- Quality in Technical Education
- Environmental Quality
- Software Quality
- Power Quality
- Quality in Measurement

- World class manufacturing
- Six sigma, TRIZ , DOE
- Site Visit
- Lab Sessions

The course is aimed to enable the participants to have hands on experience in different computational/processing tools too.

### Course Faculty

Experts from Educational Institutions, Industries and Research Organisations will be handling the course contents.

### Eligibility

Faculty members from all branches of Engineering Colleges, Industries and R&D Organisations are eligible to apply. No course fee is charged for participants from Government/Govt.-Aided Engineering Colleges. The participants from other institutions will have to pay Rs.1000/- towards the registration fee.

### Accommodation

Accommodation may be arranged on prior request.

### TA/DA

No TA/DA will be paid

### How to apply

Application in the prescribed format duly filled in and recommended or sponsored by the concerned authority, along with a crossed Demand Draft in favour of the Coordinator, STTP on RTQM payable at Thrissur should reach the coordinator on or before 18<sup>th</sup> February 2008. An advance copy of the application may be forwarded to the E-mail ID given below. Intimation regarding selection will be made through E-mail on or before 22<sup>nd</sup> February 2008
