

**Dr. Ricardo Herbé Cruz-Estrada**

**EDUCATION**

- **1997-2002.** PhD in Processing of Polymer Composites with Electro-conductive Properties. Faculty of Technology and Information Systems, Brunel University. Uxbridge, Middlesex, UB8 3PH, United Kingdom. Thesis: “In-Situ Production of Electrically Conductive Polyaniline Fibres from Polymer Blends”.
- **1996-1997.** MSc in Welding and Adhesive Bonding of Engineering Materials. Department of Materials Engineering, Brunel University. Uxbridge, Middlesex, UB8 3PH, United Kingdom. Thesis: “The Effect of Internal Stresses on the Fibre-Matrix Interface in a Polyethylene Fibre-Epoxy Resin Composite”.
- **1985-1990.** BSc in Industrial Chemical Engineering. Faculty of Chemical Engineering, Autonomous University of Yucatan (UADY). Merida, Yucatan, Mexico.
