**ABOUT ME AND MY HOME:**

I have my bachelor's degree in elementary education. I have been running my home daycare since June of 2000. Prior to opening, I was a nanny for 8 years with 2 different families, and worked in a large center before that. This is my chosen profession. I expect to be treated with respect and have all of my policies followed. I in turn will treat you with the same respect. I have been continuing my learning about childcare by attending classes pertaining to different aspects of this profession. I also am President of the local Child care organization, Northwest C.A.R.E. I have been a member since 2001 and attend meetings monthly.

I have a non-smoking household. We have several family and daycare pets. All animals are to be treated kindly and respected. Shoes are NOT to be worn upstairs or in the daycare area. Shoes are only permitted in the downstairs hallway where there are throw rugs. Very limited television viewing. Foul language is not permitted in my home when daycare children are present. We practice fire drills monthly.
