RYLA 2002: Building The Youth For A Better Future

Armed with the theme, "Building the Youth for a Better Future", the district's annual Rotary Youth Leadership Awards (RYLA) project held on 14 September 2002 at the spacious auditorium of the Philippine Social Science Center in the U.P. Diliman campus turned out to be a resounding success. Hosted by the Rotary Clubs of Metro Marikina and Caloocan Silangan, with CP Patrick Tanco and PP Mari Tanchoco serving as Project Chair and Co-Chair, respectively, RYLA 2002 was attended by more than 300 awardees, Rotarians, and guests.

Starting off this youth leadership training affair was "Pakay Talakay", a radio program in which panelists were invited to discuss relevant issues concerning the youth. The

Vitamin A Supplementation Project in Full Swing!

The district's annual Vitamin A Supplementation Program pushed through with VIM and VIGOR last 12 September 2002, with the 72 clubs in 8 different zones administering a total of approximately 100,000 Vitamin A capsules to first grade public elementary school pupils.

The Rotarians were happily assisted by their club members, spouses, and the teachers in the different schools they adopted.

The Rizal Zone emerged as topnotcher when it was able to dispense Vitamin A capsules to a total of 22,778 pupils. It was closely followed by the Malabon Zone with 20,585 beneficiaries, and by Kalookan Zone (15,052), Pasig Zone (11,968), Valenzuela Zone (9,180),

Induction of Pres. Joey Tabarangao with Sps. Norma and officers of RC San Juan at Club Filipino, Aug. 14, 2002

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;

Third. The application of the ideal of service in each Rotarian's personal, business and community life;

Fourth. The advancement of international understanding, goodwill and peace through a worldwide fellowship of business and professional persons united in the ideal of service

DG Efred O. de Guzman

Sowing the Seeds of Love in our Vocation

As a businessman and a Rotarian, I am immensely aware of the importance and value of high ethical standards in the workplace, from the highly-paid executives to the rank-and-file employee. Vocational Service Month in October, therefore, is an appropriate time to consider integrity and its essential place in the lives of Rotarians.

Rotarians can take pride that, from the beginning, high ethical standards were central to the organization's philosophy. Indeed, Chesley R. Perry, R.I.'s first general secretary, described integrity as the "qualification for membership" in a Rotary club. Ethical standards were discussed and debated frequently at Rotary conventions. As early as the 1912 convention in Portland, Oregon, USA—our second convention—participants declared it unethical to use one's club membership as an entree to selling

stocks in his own company.

In 1932 Chicago Rotarian Herbert J. Taylor created the 4-Way Test, a classic measure for evaluating honesty, fairness, and integrity that is now part of the fabric of Rotary. More recently, the 1989 Council on Legislation adopted the Declaration of Rotarians in Businesses and Professions, a checklist for integrating high ethical standards and vocational service into the community. Rotarians who adhere to these guidelines will serve as examples for other business and professional people, as well as to our young people, who so desperately seek positive role models.

Because Rotarians exemplify the principles of integrity, honesty, truthfulness, and service, the world needs more of us. By increasing Rotary Club membership, then, we strengthen Rotary itself and multiply its ability to do good for humanity. That is why we are working so hard this year to add new Rotarians to our ranks. I am immensely gratified that the Rotary clubs in R.I. District 3800 have pledged to achieve a net gain of not less than 5 new members by May 15, 2003, and since we are people of integrity who keep our word, I know it will happen.

Vocational Service also involves serving as mentors to youth and helping them to develop vocational skills. Today, too many young people remain functionally uneducated, unable to obtain training to equip themselves for a life of work. Even those who are trained may face an economy in which few jobs are available. These young people have never experienced the joy of performing useful work, of taking a pay packet, of being able to stand tall and proud because the value of their work and life could be seen and appreciated.

If Rotary could ever harness the business and professional skills of its membership in meaningful endeavor and influence, an improved quality of life would be ensured for all people. The business of Rotary is the business of people. If Rotarians rededicate themselves to the principle of Vocational Service, then we can "Sow the Seeds of Love" in our club, in our vocation, in our community, and in the world.

Panghanapbuhay na Paglilingkod (Vocational Service)

Ang biyayang tinatanggap na kaloob ng Maykapal
Ano man ang hanapbuhay na sa ati'y ibinigay,
Karaniwang empleado, propesyon man o kalakal
Ay gabay sa paglilingkod basta't ito ay marangal.

Ito ating hanapbuhay malaki man o maliit
Labis-labis o sapat lang parehas na masusulit,
Sa Rotary ay dito mo maluwag na magagamit
Paglilingkod sa lipunang may damdaming malasakit.

Ang layunin ng Rotary sa talakay na pamagat
Ay maglunsad ng gawaing mapasigla't mapalawak,
Ang mataas at mabuting pamantayang nararapat
Sa negosyo at propesyong may serbisyong kaakibat.

Ang samahan ng Rotary at ang bawa't membro nito
Ay kapwa may tungkulin sa nabanggit na serbisyo,
Samahan ang nagbabalak sa gagawin na proyekto
At kasapi ang gagawa't mag-aalay ng talento.

Deklarasyong pang Rotaryo sa negosyo at propesyon
Nagsasaad na talagang dapat lamang maisulong,
Na ang ating hanapbuhay sa lipuna'y makatulong
Ang "customer" at tindero'y magkasundong tuloy-tuloy.

Maging patas makisama sa amo man o tauhan
sa kasosyo o kalaban, mga suking taong bayan,
At sa lahat na kaugnay nitong ating hanapbuhay
Maging tapat sa kanila at magbigay pakundangan.

Kung susundin ang prinsipyong dinadala ng Rotary
Bawa't isa na kasapi ay huwaring masasabi,
Kung dati ay madaya ka't isang tusong negosyante
Magbabago ang puso mo't matutuwa ang marami.

Kung ang diwa ng Rotary mangibabaw at manguna
Lalo na sa hanapbuhay sana'y wala ng problema,
Pati ating kabataa'y matututong mag-umpisa
Ng malinis na negosyong marangal na kumikita.

Empleadong naglilimas sa kaha ng ating bayan
Ang tiwali na kontratang nayayari sa suhulan,
Pribado man o gobyerno'y palasak na ang dayaan
Labag ito sa Rotaryo sa tungkuling sinumpaang.

Katulad din ng negosyong sa lipuna'y sumisira
Ang gumawa at magtulak ng bawal na mga droga,
Ang mangholdap at mangarap pawang ito ay masama
Sa hangarin ng Rotary lahat ito'y hindi tama.

Kaya nga ba ang pagsapi ng tapat sa ating puso
Ay hagdanan sa tagumpay na tayo ay mapawasto,
At sa buwan ng Oktubre ng paksa at itinayo
Upang lalong mapaigting hanapbuhay na matino.

The Heralding of Champions

As the competition developed, it became apparent that the contingents from Valenzuela would vie for the highest stakes, while those from Marikina, Pasig, Caloocan and Tanay have shown great potential.

The best male bowler clearly was P Carlie Ramos of Team RC Metro Pasig, although he lost the masters event in a lackluster match to Frank Nicolado of Team RC Tanay. On the other hand, Vey Manalo of Team RC Wack Wack dominated the ladies' division, but was eliminated in the masters event, where cinderella finisher Marivic Reyes of Team RC Valenzuela out-steadied Rosie Derona of Team RC Metro Valenzuela for the title.

A total of 53 trophies were awarded to the best teams and players, together with the distinction of having their respective pictures taken in the company of DG Efren and spouse Pam.

Congratulations also to the host club, RC Suburban East Rizal, headed by Loving President Jun Lugtu, with PP Abet Dedeles as Project Chairman, for successfully handling this tournament, and especially to DG Efren for his loving support and presence.

But the biggest congratulations here belongs to Team District 3800 for playing a good tournament and having a lot of fun!

50 Teams Join District Ten-pin Bowling Tournament

One of the more popular sporting events in the district, the RY 2002-2003 Ten-Pin Bowling Tournament opened at the SM Megamall Bowling Centre last October 6, 2002. Hosted by the Rotary Club of Wack Wack, this year's tournament will be held for 7 (seven) consecutive Sundays until November 24, 2002, where the qualified teams will compete for championship trophies in the following categories, namely: Governor's Cup, Assistant Governor's Cup, and the President's Cup in the team events, and Masters, Graded Masters, and Associate Masters in the individual competitions for both the male and female bowlers. To allow Rotarians whose clubs did not compete in the team events to play for individual awards, a Special Bowlers' Event was created.

The opening ceremony was full of pomp and pageantry, very characteristic of District Bowling Tournament Chairman PP

3rd Governor's Cup Dart Tournament 2002

As scheduled, the 3rd Governor's Cup Dart Team Tournament, hosted by the Rotary Club of Metro Marikina commenced on September 21, 2002. To the delight of all the participating teams, including of course the district officers headed by Gov. Efren De Guzman and DGL Pam, the "youngest" club in the Marikina Zone paraded an "all brand-new" darts equipment and collaterals. There are nine (9) teams competing in the sports event, namely, Mandaluyong Zone (RC Mandaluyong Central & Wack Wack), RC Marikina, Pasig Zone (RC Pasig Sunrise & Metro Pasig) Two

First Leg of District 3800 Fellowship Golf Tournament Played at Wack Wack Golf & Country Club

Wack! Wack! The beautiful sound of well-hit golf balls echoed in the early morning hours of 06 September 2002 at the historic Wack Wack Golf & Country Club in Mandaluyong City, as DG Efren de Guzman & Comelec Chair, Benjamin Abalos hit the ceremonial golf balls to signal the start of the first leg of the District's golf tournament.

Not even the heavy downpour that fell soon after the golfers stepped on the course and continued throughout the day failed to dampen the spirits of 132 Rotarian-golfers

and their guests who fought against the challenges of the all-weather and fully-renovated West Course of Wack Wack. The golf participants started their rounds at about 7:30 a.m., but they only began to return to the clubhouse some 5 hours later - wet, bone weary, and hungry, but with contented smiles and looks of anticipation as to what the host club, the Rotary Club of Marikina Hilltop, had in store for them at the clubhouse.

The host club led by its President Dr. Fred L. Lo, made sure that the first leg of

this year's District 3800 golf tournament, (the club's second hosting job in as many years), would be an impressive and memorable one for the District's avid golfers. And truly, it was a memorable one for the following reasons; firstly, the club was able to arrange that the tournament be held at the historic and exclusive Wack Wack, the site of many Philippine Opens in the past; secondly, a sumptuous buffet was waiting for all the tired and hungry golfers at the clubhouse; and, lastly, more than a hundred major prizes, not to mention the handsome and one-of-a-kind trophies awaiting the winners of the tournament. At press time, the District Committee on Golf, headed by its Chair, PP Joey Sy, was still computing and tabulating the scores of the winners of the tournament.

Emerging as over-all champion was Loving Pres. Frix Africa of RC Marikina West in the individual competition, while RC Taytay (consisting of golfers Vic Rosaria, Mark Santos, Tony Sierra and J. Soberano) placed first in the team competition with 161 points. (followed closely by RC San Juan North, 159, RC Pasig, 157). The other

Aguinaldo "Nonoy" Miravalles. No less than five (5) beauty queens graced the occasion led by reigning Binibining Pilipinas International 2002 Ms. Maricar Tolosa and her party, which included Miss CEU and Miss Manila 2002 candidate Ms. Kenneth Ann Absalon, Miss Earth 2002 finalist Ms. Fiona Marie Lava, Campus Diva 2001 2nd placer Ms. Odhalea Gonzales and TV/Movie personality Ms. Aime Torres. They made what would have been a simple opening program very entertaining and interesting. The same ladies accompanied DG Efren, DS Fabie, PP Nonoy Miravalles, AG Nelson Aspe and Loving Pres. Jun Aguila in the ceremonial roll-off to usher in the start of the tournament proper. Banda 98 of Baliuag, Bulacan provided martial music during the duration of the ceremony and the games, another great innovation of the host club.

Eleven (11) committees were organized by this year's host club RC Wack Wack to oversee the efficient management of the tournament. A technical committee chaired

by Rtn. Maning Villanueva and composed of Rotarians from the other clubs in the district is charged with seeing to it that game rules are followed. The tournament format is a handicap series; five-week classification round and a championship round for team and individual events. Participants were divided into groups of six (6) teams, which will go through a five-day classification round. Teams composed of a maximum twelve (12) members shall bowl for three (3) games per playing day with five (5) players playing in each game in a four (4) to count scoring system. After the classification rounds, the ranked (1st to 6th places) teams will compete in the different categories. Trophies will be given to the Champion and 1st to 3rd runner-ups in each category for both the team and individual competitions. A lot of special prizes are likewise available to individual participants ranging from a coffee mug to a 200 club t-shirt. But the most significant special prize is a Paul Harris (TRF) membership to one who rolls a perfect game.

Everyone is enjoined to attend this weekly fellowship. Don't pass up on this opportunity to meet with other Rotarians

and their families from all over District 3800. Unlike other sports activities a Ten-Pin Bowling tournament always draws the biggest group of Rotarians in one event next only to a DISCON or a DISTAS.

RC Marikina Hilltop Holds 3-Day Free Glaucoma Screening Project

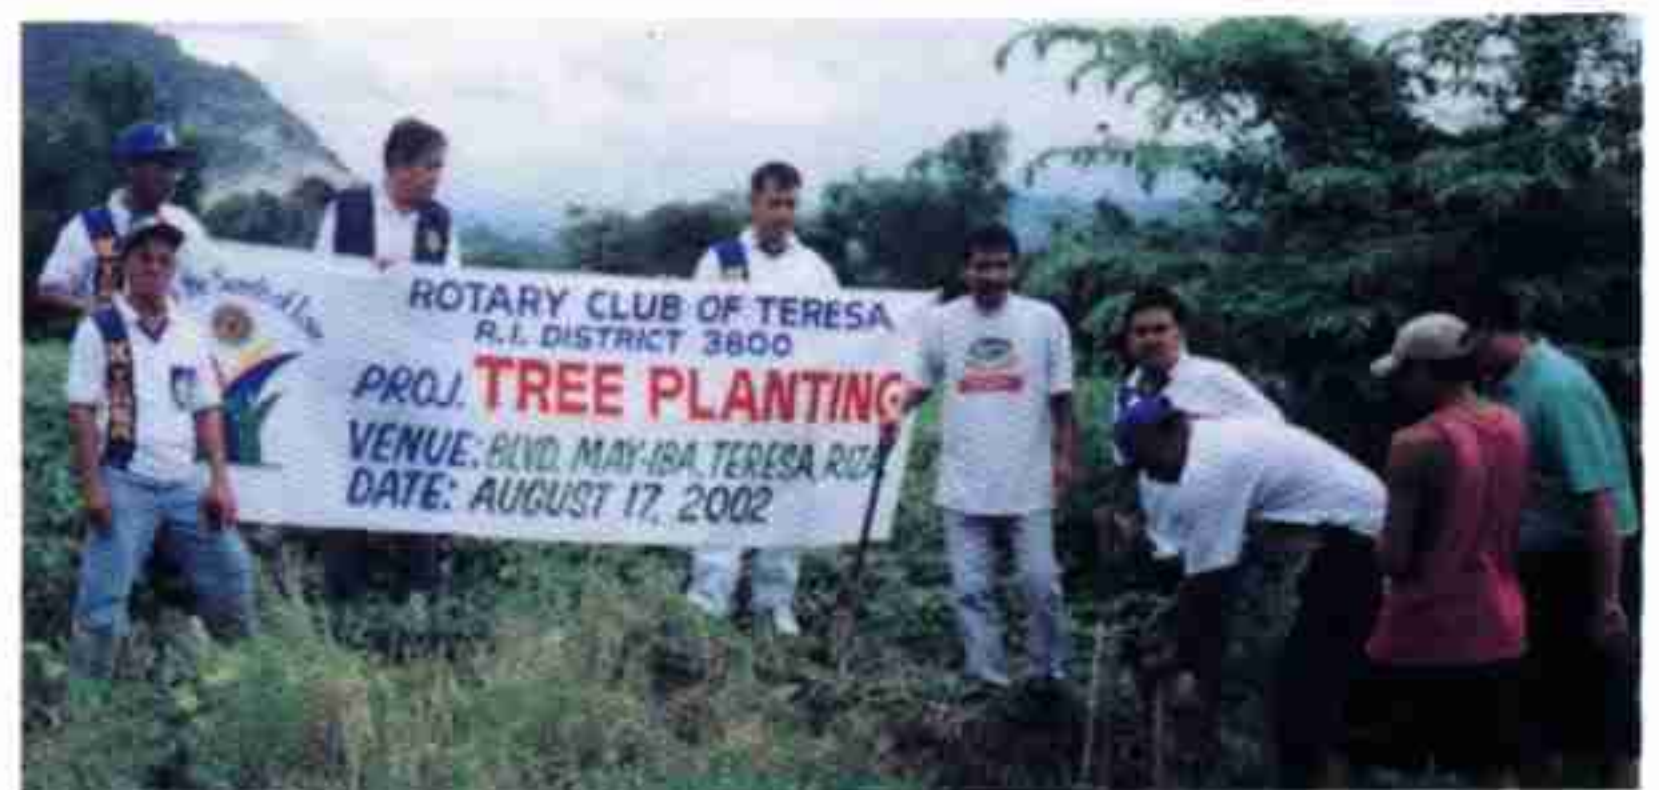

DG Efren de Guzman and his spouse Pam observe the glaucoma-screening process with Pres. Fred Lo of RC Marikina Hilltop and spouses Lu Lo and Evelyn Reside.

The project, dubbed "Iwas Bulag, Iwas Glaucoma" was held from August 23 to 25, 2002 at the sprawling Riverbanks Mall, Marikina City. DG Efren O. de Guzman and his spouse Pam, DGN Antonio "Tony" G. Puyat, Jr., DGA Robert D. Lopez and PP Antonio "Tony" F. Josen, Jr., District Chair of the Committee on Avoidable Blindness, were some of the personalities of District 3800 who joined more than 400 residents of Marikina to have their eyes checked for glaucoma, a disease of the optic nerve caused by increased eye pressure that brings about severe visual loss.

DG Efren congratulated Pres. Alfred "Fred" L. Lo, M.D. for conceptualizing and initiating the project as it greatly helped the District achieve one of its goals and thrusts for 2002-2003 - the prevention of blindness. He also commended the project chair, Rtn. Sergio "Serge" D. Mendoza, Jr. as well as the Rotarians and spouses who religiously manned their respective assignments throughout the duration of the project.

The free glaucoma-screening project involved the active participation of medical specialists from the Asian Eye Institute, the Department of Ophthalmology of the University of the East Ramon Magsaysay Medical Center (UERMMC), the Philippine Glaucoma Society and Mandaluyong Medical Center. The project also received the endorsement of Marikina Mayor Marides C. Fernando and the full cooperation and assistance of the management and staff of the Riverbanks Development Corporation.

Rotarians' Partners-in-Service Hold 3rd Breakfast Meeting

More than 100 Spouses from all over the district clad in bright orange uniforms trooped to Club Filipino last September 21, 2002 for their 3rd breakfast meeting hosted by DGL Pam de Guzman.

That morning's guest speaker were former beauty queen and movie actress Ms. Alma Concepcion (who talked on her beauty secrets and on how to be the best Mom and career woman at the same time), Ms. June Keithley (who talked about her encounter with Mama Mary), and Ms. Toni Gregory who spoke of the Dove Philosophy of Wellness.

Also discussed during the meeting were the plans to raise funds through a Ballroom Dancing affair to be chaired by Sps. Beth Santos of RC San Juan West. The proceeds will finance the Spouses' "KYTHE" project for indigent children afflicted with cancer and other diseases at the East Avenue Medical Center to be chaired by Sps. Elena Dee of RC Malabon, as well as the elderly project at the Luwalhati ng Maynila at Parang, Marikina City, to be chaired by Sps. Edna Bolinao of RC Pasig. Pledges of support and approval poured in during the meeting for these worthy endeavors.

At the same time, the birthday celebrants for the months of August and September were acknowledged and given simple tokens by DGL Pam de Guzman, highlighted by the blowing of the candles on a birthday cake by the celebrants themselves. The early birds received tokens, while the Zone with the most number of attendees

were also given prizes.

Zone 3 (Valenzuela) and 4 (Marikina) were in charge of the program, and the Marikina Zone Presidents' Spouses presented a dance number attired in a very colorful costume. Raffle prizes capped the successful meeting with plenty to spare.

testimonial on TRF projects by PP Tonipi Parungao of RC Marikina North, on the accomplishments & ongoing projects of his club covered by eight (8) Matching Grants the last 4 years amounting to US\$75,000.00 (such as the 'Center for Special Children', CLE, feeding programs, the construction/rehabilitation of public school toilets, and various deep wells within the club's area of responsibility).

PDG Santi Chua, for his part, discussed the different kinds of TRF Humanitarian Pro-

grams, while PDG Herman Gamboa in turn talked on the Centennial Celebration of Rotary (the proposed schedule of events, the time table, and the 'Centennial' projects each club is enjoined to undertake), with particular emphasis on the future of The Rotary Foundation. PDG Benny Ricafort touched on 'TRF Fund Development, and became quite emotional when he discussed the current Polio Eradication Fundraising Campaign, as he almost tearfully recalled how his older brother was afflicted with polio.

A number of individuals who financially supported The Rotary Foundation in the

different levels (led by DG Efren de Guzman) were likewise acknowledged, named, and identified during the course of the talks of the different speakers.

An open forum ably moderated by PDG Pepe Peralta followed the discussion of the above themes. It turned out to be an extremely interesting and informative forum, as the recent changes in The Rotary Foundation were further clarified and discussed.

Kudos to Project Chair IPP Lulu Sotto and Pres. Wilhelmina "Mina" D. Tanchi of RC Sampaguita Grace Park for a most successful District Forum!

RYLA 2002 ...

from page 1

interesting discussion was led by Congressman Del de Guzman (RC Marikina), Beverly Baloalao, Hannah Petrache, Stephen Chua-Rojas, and Rotaract DRR Carol Sandico. The radio program was made more memorable with the presence of DG Efren de Guzman, who emphasized the importance and value of RYLA in developing future leaders.

The top-notch speakers who took the time to impart their knowledge and interact with the awardees included Efren Pallorina (Fundamentals of Leadership); Pastor Eric Maliwat (Filipino Values and Culture); PP

Gerry Gamez or RC Kalookan Silangan (The Rule and Responsibility of the Youth); Rtn. Paolo Rivera (Fund Raising and Business Skills); Pres. Raul Evangelista of RC Metro Marikina (Problem Solving and Decision Making); Atty. Mark Castrodes (Parliamentary Procedure and Facilitation Skills); and VP Edric Calama of RC ManPaSan (CS Rey Reyes gave the talk in his behalf) on the 'Importance of Communication Skills'.

There were likewise entertainment numbers provided by the Rotaract Club of Cardona to lighten up the forum. Food and drinks were a-plenty for the whole-day affair. Before calling it a day, raffle prizes were

given out to the awardees. They were all praises with the way RYLA 2002 was handled, and were most impressed with their kits.

Congratulations to the members of the two host clubs for their support and organizational skill, as well as to all district officers, sponsors, Rotarians, and guests for the success of this forum. Credit must also be given to the Rotaract Clubs of Metro Valenzuela and MIST for the assistance during the registration and secretariat work during the day!

Vitamin A ...

Marikina Zone (8,000), Mandaluyong Zone (5,027), and San Juan Zone (2,180)

The Valenzuela Rotary Clubs called it "Patak Vitamin A Day", and had a guest speaker talk on the importance of Vitamin A in the diet. This was done three (3) days before and was attended not only by members of RC Valenzuela led by Pres. Joey de

Leon, but also by school teachers and a representative from the DECS "VAL-MANA" area.

A month before, DG Efren de Guzman and District Vitamin A Chair Mely Europa, with DS Fabie Enriquez, went to PDG Ben Henson at St. Luke's Hospital for his personal endorsement of the Vitamin A supply from Rotary International, of which 150,000 capsules were allocated for District 3800.

Some club presidents have requested to give Vitamin A capsules to indigents in their areas not covered by the school survey. This, of course is a welcome idea!

With the success of this project, all Rotarians are now looking forward to the second phase of this project scheduled on 2002!
