Project: Postcard Exchange Between Characters

Due: Tuesday, March 2, 2004

1. FRONT - Decorate the front of 6 (4" by 7") post cards with significant scenes from the book using the following format. They should be colorful and artistic. Then include an address for the character and draw a stamp on the right side. Effort Shows!

2. BACK - Exchange postcards between characters in the book using the back of the card. Make sure your 6 post cards contain 6 good-size paragraphs that tell the story thoroughly mentioning the characters, setting, conflict, etc... Watch for neatness and organization. As always, check for mechanics. Be Creative and Have Fun ☺

You can use any paper or color. Please label the postcards with the number of the order in which they should be read. Lastly, wrap an elastic around the 6 postcards and include a postcard cover on top with the title of the book, the author, your name, section and date.

Good Luck! ☺
