

**Professional Organizations**

The American Society of Hypertension 1989 - 1994  
American Society of Clinical Pharmacology  
Medical Association of Georgia  
American College of Allergy, Asthma & Immunology  
Southeast Allergy Society  
American Academy of Allergy, Asthma & Immunology  
Associates of Clinical Pharmacology  
Richmond County Medical Society

**Awards**

1962 Varsity Letter University of Florida - Varsity Rifle Team  
1974 Third Prize for Scientific Exhibits, 100th Annual Meeting of the Florida Medical Association, Hollywood, Florida  
Paul Harris Fellow - Rotary International

**Military Honors**

Army Commendation Medal  
Combat Medics Badge  
Vietnam Service Ribbon

**Committees and Appointments**

1976: Select Review Panel on Penicillin, American Society of Hospital Pharmacists (FDA Class Labeling)

1986 to 1989: Medical Director  
Health America and Maxicare HMO

1987 - present: President, Medical Parameters, Inc.

1987 to 1991: Chairman, Fire Ant Subcommittee  
American Academy of Allergy and Immunology

1988 to 1999: Member, Board of Directors of ATEC Construction Co.

1992: Chairman, Family Practice Department  
Humana Hospital, Augusta, Georgia

1996: Chairman, Family Practice Department  
Humana Hospital, Augusta, Georgia

1996 - Present: Member of PHO

Humana Hospital, Augusta, Georgia

1996 - 1998: Chairman, PHO  
Humana Hospital, Augusta, Georgia

1996: Member of Board of Directors  
Humana Hospital, Augusta, Georgia

### **Professional Appointments**

1968 to 1969: Battalion Surgeon, 25th Infantry Division, Vietnam

1969 to 1970: Dwight D. Eisenhower Army Medical Center, Fort Gordon, Georgia

1984 to 1986: Consultant, Allergy & Clinical Immunology  
Dwight D. Eisenhower Army Medical Center, Fort Gordon, Georgia

7/74 to 3/75: Instructor, Department of Pediatrics  
University of Florida College of Medicine, Gainesville, Fla

1975 to 1976: University of Florida College of Medicine, Gainesville, Florida  
Assistant Professor of Pediatrics  
Division of Allergy & Immunology

1985: Expert Witness, EPA Hearing on Mirex  
Washington, D.C.

1975 - Present: Private Practice, Augusta, Georgia

1976 - Present: Medical College of Georgia  
Assistant Professor of Medicine, Department of Pediatrics, Augusta, GA

06/2000 - present: MCG Children's Medical Center  
Clinical Appointment  
Augusta, Georgia

### **Scientific Exhibits**

1. Rhoades, Robert B.: Hypersensitivity to the Imported Fire Ant, 30th Annual Meeting of the American Academy of Allergy, Miami Beach, Florida, January 19 - 23, 1974.
2. Rhoades, Robert B.: Hypersensitivity to the Imported Fire Ant, 10th Annual Meeting of the Florida Medical Association, 3rd Prize for Scientific Exhibits, Hollywood, Florida, May 8 - 12, 1974.
3. Rhoades, Robert B.: Hypersensitivity to the Imported Fire Ant, 68th Annual Scientific Meeting of the Southern Medical Association, Atlanta, Georgia, November 17 - 20, 1974.

### Research Experience

- 8/87 to 3/88: **Investigator,**  
Long-Acting Verapamil in Patients with Mild to Moderate Hypertension (E-11877001), 118 patients. (2/3 of patients in pivotal study IND for Verelan).
- 1/88 to 1/89: **Principal Investigator,**  
Long-Action Nifedipine in Patients with Mild to Moderate Hypertension (E-0587001) & (E-7877002), 272 patients.
- 12/88 to 10/89: **Principal Investigator,**  
Cicletanine in Patients with Mild to Moderate Hypertension (Ster-Co2-88-03-001), 95 patients.
- 5/89 to 1/90: **Principal Investigator,**  
Antihypertensive Effort of Cilazapril (Inhibace) in Combination with Hydrochlorothiazide - versus - Cilazapril or Hydrochlorothiazide (HLR-N3403), 48 patients.
- 7/89 to 1/90: **Principal Investigator,**  
Nifedipine 30, 60 and 90 mg. Core-Coat Tablets - versus - Placebo in Hypertensive Patients (M-D88-033), 39 patients.
- 8/89 to 3/90: **Principal Investigator,**  
Quinapril in Patients with Mild to Moderate Hypertension (PD-906-4327), 48 patients.
- 8/89 to 1/90: **Principal Investigator,**  
Antihypertensive Safety and Efficacy Study of Once-daily Diltiazem HCL SR (Rg-83606-104), 26 patients.
- 9/89 to 4/90: **Principal Investigator,**  
Nebivolol in The Treatment of Hypertension (JRD 67555/72), 41 patients.
- 1/90 to 4/90: **Principal Investigator,**  
Antihypertensive Safety and Efficacy Study of Once-daily Diltiazem HCL SR Administered Alone and Concomitantly with Indapamide (RG-83606-105), 26 patients.
- 5/90 to 10/90: **Principal Investigator,**  
Nebivolol in the Treatment of Hypertension (JRD 67555/0105), 51 patients.

- 10/90 to 8/91: **Principal Investigator,**  
Loracarbef - versus - Amoxicillin in Acute Bronchitis (B9U-MC-AZBHJ), 6 patients.
- 10/90 to 8/91: **Principal Investigator,**  
Cefuroxime Axetil - versus - Augmentin in Community-Acquired Pneumonia (CAE-422), 2 patients.
- 4/91: **Principal Investigator,**  
Isradipine and HCTZ in Patients with Mild to Moderate Hypertension and Left Ventricular Hypertrophy (G-ISR-344), 20 patients.
- 4/91: **Principal Investigator,**  
MK-954 with and without HCTZ in Patients with Mild to Moderate Hypertension (M-021-00), 13 patients.
- 4/91: **Principal Investigator,**  
Erythelan - versus - EES in Children with Streptococcal Pharyngitis or Tonsillitis (ELN-0890-002), 7 patients.
- 8/91: **Principal Investigator,**  
Bisoprolol plus Clizaryl in Patients with Mild to Moderate Hypertension (M-021-000), 20 patients.
- 9/91: **Principal Investigator,**  
Once Daily Dose of Indapamide in Patients with Mild to Moderate Hypertension (RG-2555-603).
- 4/92: **Principal Investigator,**  
Diltiazem ER Monotherapy, Enalapril Monotherapy and the Combination of Diltiazem ER and Enalapril in Patients with Mild to Moderate Hypertension (MK-793A, Protocol #031-01).
- 4/92: **Principal Investigator,**  
Ceftibuten - versus - Augmentin in the Treatment of Acute Otitis Media in Children (SCH-39720).
- 1/93: **Principal Investigator,**  
Azithromycin Respiratory Infection Study (Protocol #L-0157).
- 1/93: **Principal Investigator,**  
Once Daily Suprax - versus - TID Dose of Augmentin in the Treatment of Children with Acute Otitis Media with Effusion (Lederle #41-126).

- 1/93: **Principal Investigator,**  
Enalapril 30 mg. Alone or Given Concomitantly with Diltiazem ER 60 mg, 180 mg, as Compared to Placebo in Patients with Mild to Moderate Hypertension (MK 793A039-00).
- 12/93: **Principal Investigator,**  
“Open Label” Long-term Safety of Mibefradil in the Treatment of Essential Hypertension (RO 40-5967).
- 1994: **Principal Investigator,**  
Long-term Study of Zileuton - versus - Usual Care in the Treatment of Asthma.
- 1994 - 1999: **Principal Investigator,**  
Antihypertensive and Lipid Lowering to Prevent Heart Attack Trial.  
(ALLHAT)
- 4/94: **Principal Investigator,**  
Double-Blind, Placebo-Controlled Study to Determine a Lower Effective Dose of Hismanal Tablets in the Treatment of Allergic Rhinitis (Janssen AST-USA-33).
- 9/95: **Principal Investigator,**  
The Antihypertensive Efficacy and Safety of Mibefradil in Comparison with Amlodipine in Patients with Mild to Moderate Essential Hypertension.
- 94-96: **Principal Investigator,**  
Double-Blind Comparative Study of the Efficacy and Safety of Orally Administered OPC-17116 and Clarithromycin in the Treatment of Patients with Community-Acquired Pneumonia.
- 95-96: **Principal Investigator,**  
A Placebo-Controlled, Double-Blind, Dose-Ranging Study of Azmacort HFA-134a Oral Inhaler Compared to Azmacort Oral Inhaler in the Treatment of Asthma. (Rhone-Poulenc Rorer Pharmaceuticals, Inc.).
- 96: **Principal Investigator,**  
FEDA2001, “A 12-Week, Dose-Ranging, Double-Blind Placebo-Controlled Study of Fedotozine in Subjects with Irritable Bowel Syndrome”.
- 95-96: **Principal Investigator,**  
A Randomized, Multicenter, Open Trial Comparing Oral CP-99.219 (200 mg) and Augmentin for the Treatment of Complicated infections of the Skin and Skin Structure. (Pfizer, Inc).

- 96: **Principal Investigator,**  
Prospective, Randomized, Double-Blind, Multi-Center Comparison Of the Safety and Efficacy of BAY 12-8039 400 mg q d for 10 Days Versus Clarithromycin 500 mg b.i.d. for the Treatment of Patients With Community Acquired Pneumonia.
- 96: **Principal Investigator,**  
Re: Prospective, Randomized, Double-blind comparison of the Safety and Efficacy of BAY 12-8039 mg q d for 10 Days Versus 400 mg for 10 Days Versus Cefuroxime Axetil 500 mg b.i.d. for 10 Days for the Treatment of Patients with Acute Exacerbations of Chronic Bronchitis (D96-022).
- 1996: **Principal Investigator,**  
Prospective, Randomized, Double-Blind, Comparison of the Safety and Efficacy of BAY 12-8039 400 mg p.o. q d for 7 Days Versus Cefuroxime Axetil 250 mg b.i.d. for 10 Days for the Treatment of Patients with Acute Bacterial Maxillary Sinusitis.
- 4/98 - 4/04: **Principal Investigator,**  
A Prospective, Multinational, Multicenter, Double-Blind Active-Controlled Trail in Patients with Essential Hypertension to Compare the Effect of VALSARTAN 80 and 160 MG, With or Without the Addition of HCTZ, Once-Daily to that of Amlodipine 5 and 10 MG, With or Without the Addition of HCTZ, on Cardiovascular Morbidity and Mortality  
(Novartis VALUE 405)
- 4/98 - 4/99: **Principal Investigator,**  
Assessment of Algorithm for Adjunctive Treatment with MERIDA for Weight Loss in Obese Patients in a Large, 16 Week, Multicenter, Open-Label Trial in Physician Practice Settings  
(Knoll Pharmaceuticals- AMMO)
- 9/98 - 2/99: **Principal Investigator,**  
A Double-Blind, Randomized, Placebo-Controlled Trial of PLECONARIL in the Treatment of Picornavirus Respiratory Tract Disease
- 7/98 - 3/99: **Principal Investigator,**  
A Multicenter, Double-Blind, Active-Controlled, Two-Arm Parallel-Group Study of the Efficacy and Safety of Oral DRUG 800 MG Once A Day for 5 Days Versus Oral Clarithromycin 250 MG Twice A Day for 10 Days in Subjects with Beta-Hemolytic Streptococcal Pharyngitis/Tonsillitis  
(HMR 3647A/3008)

- 7/98 - 7/99: **Principal Investigator,**  
A Double-Blind, Multicenter, Randomized, Active-Controlled, Two-Arm Parallel-Group Comparative Study of the Efficacy and Safety of Oral Drug (800 MG Once Daily) for 7 to 10 Days Versus Oral Trovafloxacin (200 MG Once Daily) for 7 to 10 Days in the Treatment of Community Acquired Pneumonia in Adults (HMR 3647A/3009)
- 5/99 - 2001: **Principal Investigator,**  
A Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel Study of the Efficacy and Safety of METFORMIN HYDROCHLORIDE for the Treatment of Pediatric Subjects with Type 2 Diabetes Mellitus (CV 138-039)
- 5/99 - 2000: **Principal Investigator,**  
A Twelve Week Randomized, Double-Blind, Placebo-Controlled Study of the Efficacy and Tolerability of DRUG 1mg Twice Daily for Control of Bowel Urgency in Females with Nonconstipated Irritable Bowel Syndrome (S3B30011)
- 9/99 - 2001: **Principal Investigator,**  
Evaluation of The Antihypertensive Efficacy of Candesartan Cilexetil in Comparison to Losartan: A Multicenter, Double-Blind, Randomized, Parallel-Group, Forced-Titration Study (ATACAND #231)
- 9/99 - 03/00: **Principal Investigator,**  
A Double-Blind, Randomized, Placebo-Controlled Trial of a Tablet Formulation of PLECONARIL in the Treatment of Viral Respiratory Infection (Viropharma #843-032)
- 11/99 - 2000: **Principal Investigator,**  
A Multicenter, Randomized, Double-Blind, Placebo-Controlled Study to Assess the Efficacy and Safety of DRUG in the Treatment of Acute Influenza A and B Infections in Healthy Adults (RW Johnson PRI, #270201-TX-002)
- 03/00 - 2001: **Sub-Investigator,**  
A Randomized, Double-Blind, Placebo Controlled, Parallel-Group Study of Intravenous Administration of DRUG in Subjects with Chronic Plaque Psoriasis (Biogen, Inc., C99-711)
- 08/00 - 2001: **Sub-Investigator,**  
A Randomized, Double-Blind, Placebo-Controlled, Dose-Comparison Study to Evaluate the Efficacy and Safety of Intramuscular Administration of DRUG in Subjects with Chronic Plaque Psoriasis

(Biogen, Inc., C99-712)

- 04/00 - 05/01: **Principal Investigator,**  
Linezolid vs Cefadroxil in the treatment of skin and skin structure infections in children. (Pharmacia)
- 03/01 - 03/02: **Principal Investigator,**  
A comparative A Trial of the Safety of One Dose of an Experimental Tetravalent Meningococcal Diphtheria Conjugate vaccine versus menomune in healthy children. (Aventis Pasteur)
- 06/01 - 03/02: **Principal Investigator,**  
A randomized, Double-Blind, Placebo Controlled Study to evaluate the clinical efficacy, virologic activity and safety of Pleconaril. Two Studies (Viropharma)
- 10/01 - 01/02: **Principal Investigator,**  
Randomized, partially blinded, Placebo-Controlled trial with a liquid formulation of influenza virus vaccine, Trivalent in healthy adults. (Wyeth)
- 04/01 - 05/02: **Principal Investigator,**  
Efficacy, dose-ranging and safety for RWJ-241947 in Type 2 diabetic subjects inadequately controlled on Diet, Metformin, or Sufonyluria: A 24-Week Double-Blind Randomized Placebo-Controlled Study. (RW Johnson)
- 10/01 - 06/03: **Principal Investigator,**  
A multicenter, multinational double-blind, randomized parallel group study. 12 weeks treatment with 250 µg roflumilast versus placebo in patients with asthma. (Altana)
- 04/02 - 11/02: **Principal Investigator,**  
A randomized, double blind placebo-controlled study to evaluate the efficacy of Diflucan vs Grisofulvin in pediatric patients with Tinea Capitus - (Pfizer A0561016)
- 11/02 - 05/03: **Principal Investigator,**  
A randomized, open label study to evaluate the efficacy of Diflucan in pediatric patients with Tinea Capitus - (Pfizer A0561017)
- 01/03 - Date: **Sub-Investigator,**  
A Randomized, Double Blind, Placebo Controlled, Parallel Group Study to Assess the Safety and Efficacy of Three Dose Levels of Rosiglitazone Maleate in the Treatment of Chronic Plaque Psoriasis. (GlaxoSmithKline BRL-049653/RSD-101PR3/2)

- 03/03 - 01/04: **Sub-Investigator,**  
A Multi-Center, Phase 3, Randomized, Double-Blind, 4-Arm Clinical Trial to Compare the Safety and Efficacy of Clin-RA Gel vs. Clindamycin Phosphate 1.2% Gel vs. Tretinoin 0.025% Gel vs. Clin-RA Gel Vehicle in the Treatment of Acne Vulgaris (Dow/Target 7001. G2HP-07-02)
- 02/03 - 06/03: **Principal Investigator,**  
A Randomized, Multicenter, Placebo and Active-Controlled, Double Blind, Therapeutic Confirmatory Study Evaluating the Safety and Efficacy of 90µg Levalbuterol and 180µg Racemic Albuterol and Placebo (Sepracor 051-354)
- 01/03 - 06/03: **Principal Investigator,**  
A Multicenter, Randomized, Double-Blind, Double-Dummy, Placebo Controlled, Parallel Group, Four-Week Study Assessing the Efficacy of Fluticasone Propionate Aqueous Nasal Spray 200mcg QD versus Montelukast 10 mg QD in Adolescent and Adult Subjects with Asthma and Seasonal Allergic Rhinitis who are receiving concurrent Open-Label ADVAIR DISKUS 100/50 mcg BID (GlaxoSmithKline SAM40066)
- 04/03 - Date: **Principal Investigator,**  
A Multi-center, Double-blind, Randomized, Parallel Group Study to Evaluate the Effects of Diovan on Microalbumuria in Hypertensive Subjects with Type 2 Diabetes (DM) (Novartis "DROP" CVAL489A2417)
- 06/03 - Date: **Principal Investigator,**  
A Twelve-Week, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Study to Assess the Safety and Efficacy of 0.5mg QD, 1mg QD and 1mg BID of Alosetron in Female Subjects with Severe Diarrhea-predominant IBS who have failed Conventional Therapy. (GlaxoSmithKline S3B30040)
- 07/03 - 03/04: **Sub-Investigator,**  
A Multi-Center, Investigator-Blind Clinical Trial to Assess the Safety and Efficacy of Metronidazole Gel, 1% as Compared to Metronidazole Gel Vehicle and Noritate™ Cream, 1% in the Treatment of Rosacea. (Dow Pharmaceutical Sciences 0215-R5.C-01-03)
- 09/03 - Date: **Principal Investigator,**  
A Randomized, double-blind, multicenter, placebo-controlled, parallel group study to evaluate the efficacy and safety of valsartan (320 mg) and hydrochlorothiazide (12.5 and 25 mg) combined and alone, valsartan 160 mg  
and valsartan 160 mg/hydrochlorothiazide 12.5 mg in hypertensive patients (Novartis "Co-Diovan" CVAH631C2301)

- 10/03 - Date: **Principal Investigator,**  
A randomized, double-blind, active-controlled, parallel-group, single-dummy, multicenter, 12 week study to assess the efficacy and safety of SYMBICORT pMDI 160/4.5 ug x 2 actuations once-daily (QD) compared to SYMBICORT pMDI 80/4.5 ug x 2 actuations QD, SYMBICORT pMDI 80/4.5 ug x 2 actuations twice-daily (BID) and to budesonide pMDI 160 ug x 2 actuations QD in asthmatic subjects 12 years of age and older (AstraZeneca "GEMINI" D5896C00001)
- 10/03 - Date: **Principal Investigator,**  
A prospective, multinational, multicenter, double-blind, randomized, active-controlled trial to compare the effects of Lotrel (amlodipine/benazepril) to benazepril and hydrochlorothiazide combined on the reduction of cardiovascular morbidity and mortality in patients with high risk hypertension (Novartis "ACCOMPLISH" CCIB00212301)
- 11/03 - Date: **Principal Investigator,**  
A Phase IIIb, open, randomized, controlled, multicenter study of the immunogenicity and safety of GlaxoSmithKline Biologicals' inactivated hepatitis A vaccine (Havrix) [720E1.U/0.5 mL dose] administered on a 0, 6-month schedule concomitantly with GlaxoSmithKline Biologicals' DtaP vaccine (Infanrix) and Aventis Pasteur's Haemophilus b conjugate (Tetnus Toxoid Conjugate) vaccine (ActHIB) in healthy children 15 months of age (GSK)
- 12/03 - Date: **Sub-Investigator,**  
A Randomized, Double-Blind, Double-Dummy, Placebo-Controlled, Parallel Group, Multi-Center Clinical Trial of Four Weeks Treatment with SEREVENT Inhalation Aerosol, 25 mcg BID, 50 mcg BID and Placebo Administered Via a Valved Holding Chamber with Facemask in Subjects with Asthma or Reactive Airways Disease Age 6 to 23 Months (GSK 30077)
- 01/04 - Date: **Sub-Investigator,**  
A Multicenter, Randomized, Double-Blind, Parallel Group Study to Evaluate the Safety and Efficacy of a Fixed Combination of Adapalene 0.1% and Benzoyl Peroxide 2.5% (Adapalene and Benzoyl Peroxide Topical Gel) Gel Compared to Each Monad and Topical Gel Vehicle in Subjects with Acne Vulgaris (Galderma RD.06.SPR.18094)

### **Presentations**

1. Rhoades RB, Walker RB, Macqueen DM, Wittig HJ: Peak expiratory flow rate measurements in a normal population. Presented at the Annual Meeting of the American Academy of Pediatrics, Chicago, 1973.

2. Cohan RH, Macqueen DM, Rhoades RB, Wittig HJ: Growth patterns in allergy. Presented at the Annual Meeting of the American Academy of Pediatrics, Chicago, 1973.
3. Rhoades RB, Schafer WL, Schmid WH, Wubbena PF, Dozier RM, Townes AW, Leifer KN, Cohan RH, Wittig HJ: Hypersensitivity to the imported fire ant. Presented at the 30th Annual Meeting of the American Academy of Allergy, Miami Beach, 1974.
4. Rhoades RB: Hypersensitivity to the imported fire ant. Presented at the 100th Annual Meeting of the Florida Medical Association, Hollywood, 1974.
5. Rhoades RB: Hypersensitivity to the imported fire ant. Presented at the 68th Annual Scientific Meeting of the Southern Medical Association, Atlanta, 1974.
6. Rhoades RB, Leifer KN, Bloom FL, Wittig HJ: Suppression of histamine induced pruritus by various antihistamines. Presented at the Southeastern Allergy Association Meeting, New Orleans, 1975.
7. Rhoades RB, Kalof DD, Bloom FL, Leifer KN, Cohan RH, Wittig HJ: Cross-reacting antigens of fire ant and other hymenoptera. Presented at the Southeastern Allergy Association Meeting, New Orleans, 1975.
8. Bloom FL, Rhoades RB, Leifer KN, Wittig HJ: Double-blind study of a new adrenergic aerosol in the treatment of childhood asthma. Presented at the Annual Meeting of the American Academy of Pediatrics, Washington, D.C., 1975.
9. Leifer KN, Bloom FL, Rhoades RB, Wittig HJ: Validity of different spirometric measurements for the assessment of bronchodilator response in adult and pediatric asthmatics. Presented at the Annual Meeting of the American Academy of Pediatrics, Washington, D.C., 1975.
10. Bloom FL, Spangler DL, Rhoades RB, Cohan RB, Wittig HJ: Treatment of chronic perennial allergic rhinitis with a new topical steroid spray (flunisolide) - a double-blind crossover study. Presented at the American Academy of Allergy, San Juan, Puerto Rico, 1976.
11. Bloom FL, Spangler DL, Wittig HJ, Rhoades RB: Imported fire ant (IFA) rapid hyposensitization. Presented at the American Academy of Allergy, Phoenix, Arizona, February 1978.
12. Kivett G, Rhoades RB, Leifer KN, Haugh LD, Wittig HJ: Suppression of papain-induced pruritus by antihistamine. Presented at the 34th Annual Meeting of the American Academy of Allergy, Phoenix, Arizona, 1978.

13. Rhoades RB, Newman M, Bloom FO, Wittig HJ: Skin testing with venom fractions of the imported fire ant (IFA). Presented at the 34th Annual Meeting of the American Academy of Allergy, Phoenix, Arizona, 1978.
14. Rhoades RB, Newman M, Bloom FO, Wittig HJ: Skin testing with venom fractions of the imported fire ant (IFA). Presented at the Southeastern Allergy Association Meeting, Sea Island, 1978.
15. Roesel RA, Wolfe D, Coryell ME, Blankenship PR, Thevaos TG, Rhoades RB, Hall WK: Partial carbamyl syntestase I deficiency. Presented at the 11th International Congress of Biochemistry, Toronto, 1979.
16. Rhoades RB, Forbes EF: Clinically apparent adrenal suppression with beclomethasone (400 mcg a day) inhalation. Presented at the 36th Annual Meeting of the American Academy of Allergy, Atlanta, 1980.
17. Rhoades RB: Fire ant allergy diagnosis and treatment. Presented at the 20th Annual Congress and Scientific Meeting of the American Association for Clinical Immunology and Allergy, Fort Lauderdale, 1986.
18. Carr AA, Prisant LM, Rhoades RB, Jones KS, Bottini PB: Placebo and automated ambulatory blood pressure monitoring. Presented at the 17th Annual Meeting of the American College of Clinical Pharmacology, Orlando, 1988.
19. Rhoades RB, Stafford CT, James FK: Survey of fatal anaphylactic reactions to imported fire ant stings. Presented to the 44th Annual Meeting of the American Academy of Allergy and Immunology, Anaheim, 1988.
20. Stafford CT, Hutto LS, Rhoades RB, Thompson WO, Impson LK: Survey of the imported fire ant as a health hazard. Presented at the 45th Annual Meeting of the American Academy of Allergy and Immunology, San Antonio, 1989.
21. Rhoades RB, Stafford CT, Brown LA: Reactivity to imported fire ant whole body extract (IFA-WBE) in allergic patients with no history of insect sting allergy. Presented at the 46th Annual Meeting of the American Academy of Allergy and Immunology, Baltimore, 1990.
22. Rhoades RB, Bottini PB, Carr AA, Prisant LM: Mechanical trauma and acute neuralgia associated with automated ambulatory blood pressure monitoring. Presented at the 5th Scientific Meeting of the American Society of Hypertension, New York, 1990.
23. Bottini PB, Carr AA, Prisant LM, O'Brien DE: Dose response of a new once daily Verapamil capsule confirmed by ambulatory blood pressure monitoring. Presented at the 5<sup>th</sup> Scientific

24. Bottini PB, Carr AA, Rhoades RB: 24th ambulatory and office blood variability and dose response to a new once daily Verapamil (V) formulation. Presented at the Annual Meeting, Southeastern Pharmacology Society and Southeast Chapter of the American College of Clinical Pharmacology, Johnson City, 1990.
25. Prisant LM, Thompson WO, Bottini PB, Carr AA, Rhoades RB: Racial and gender aspects of ambulatory blood pressure monitoring. Poster presentation at the 5th International Interdisciplinary Conference on Hypertension in Blacks, Long Beach, CA, May 5, 1990.
26. Rhoades RB, Stafford C: Treatment failure with whole body extract immunotherapy to the imported fire ant. Presented at the 47th Annual Meeting of the American Academy of Allergy and Immunology, San Francisco, 1991.
27. O'Quinn M, Rhoades RB: Unusual tissue reaction to sting of the imported fire ant. Presented at the 47th Annual Meeting of the American Academy of Allergy and Immunology, San Francisco, 1991.
28. Bottini PB, Carr AA, Rhoades RB, Prisant LM: Reliability of indirect blood pressure (BP) collection methods: Office (OBPs) versus mean 24th ambulatory (ABPs) blood pressures. Presented at the 6th Scientific Meeting of the American Society of Hypertension, New York, 1991.
29. Bottini PB, Rhoades RB, Carr AA, Prisant LM: Measurements of blood pressure (BP) throughout a 24-hour interval: A comparison of manual and automated indirect collection methods in the same individuals. Presented at the 6th Scientific Meeting of the American Society of Hypertension, New York, 1991.
30. Garrett SS, Garrett BN, Carr AA, Rhoades RB, Prisant LM, Bottini PB: Are circadian blood pressure patterns reproducible as measured by 24-hour ambulatory blood pressure monitoring? Presented at the 6th Scientific Meeting of the American Society of Hypertension, New York, 1991.
31. O'Quinn M, Rhoades RB: Unusual tissue reaction to sting of the imported fire ant. Presented at the 47th Annual Meeting of the American Academy of Allergy and Immunology, San Francisco, 1991.
32. Bottini PB, Rhoades RB, Carr AA, Prisant LM: The placebo response in hypertension research studies: Fact or Fiction? Poster presentation at the 7th Scientific Meeting of the American Society of Hypertension, New York, New York, May 8, 1992.

33. Rhoades RB: Skin test reactivity to imported fire ant whole body extract: Comparison of three commercial sources. Presented at the Annual Meeting of the American Academy of Allergy and Immunology, 1993.
34. Mucha E. Rhoades RB: Torsades Des Pointes arrhythmia associated with Hismanal and Cipro. Presented at the Annual Meeting of the American Academy of Allergy and Immunology, New York, 1995.
35. Rhoades RB, Stafford C: Autopsied cases of anaphylactic death from stings of imported fire ants. Presented at the Annual Meeting of the American Academy of Allergy and Immunology, New York, 1995.
36. Rhoades RB, Nagara B, Dallas A: Systemic Allergic Reaction to Latex. Presented at the Annual Meeting of the American College of Allergy and Immunology, Boston, 1996.
37. Cushman WC, Cohen JD, Jones RP, Marbury TC, Rhoades RB, Smith TK: Double-blind comparison of Enalapril (e), Dilatiazem ER (d) and their combination (E/D) in stage 1-3 essential hypertension. Presented at the 11th Scientific Meeting, New York, 1996.
