Education

-
- 9/2000 – Present **The Ohio State University**, Columbus, Ohio
- Masters of Arts in Audiology Anticipated (8/2004)
 - Department of Speech and Hearing Science
 - *Thesis Topic* :- Temporal Resolution in children ► Step-Glide Test
Verses The Random Gap Detection Test
- 9/2000 – 6/2002 **The Ohio State University**, Columbus, Ohio
- Bachelors of Arts in Speech and Hearing Science (6/2002)
 - Department of Speech and Hearing Science
 - Graduated with Distinction in Speech and Hearing Science
- 8/1998 – 5/2000 **Mount Union College**, Alliance, Ohio
- Concentrated in environmental biology and mathematics

Clinical Experience

-
- 4/2004 – Present **Columbus Speech and Hearing Center**, Columbus, Ohio
Graduate Clinician
- Conducted audiological assessment and remediation for patients ranging from preschool to geriatric.
- 1/2004 – Present **Family-Directed Clinic**, Nisonger Center, Columbus, Ohio
Graduate Clinician/LEND Trainee
- Conducted audiological assessment for preschool age children with disabilities.
 - Worked as a team member of the interdisciplinary team.
- 1/2003 – 3/2004 **The Ohio State University Speech-Language-Hearing Clinic**, Columbus, Ohio
Graduate Clinician
- Conducted audiological assessment and remediation for patients ranging from preschool to geriatric.
 - OSU LEAP Program: Assisted in speech-language remediation with preschool age children.
- 1/2004 – 3/2004 **University Hearing Professionals**, Columbus, Ohio
Graduate Clinician
- Conducted audiological assessment and remediation for patients ranging from preschool to geriatric.
- 9/2003 – 12/2003 **Mount Carmel East Hospital**, Columbus, Ohio
Graduate Clinician
- Conducted vestibular assessment using both Electronystagmography (ENG) and Dix-Hallpike Maneuver for patients ranging from school age to geriatric.
 - Conducted newborn hearing screenings using the ALGO-II system.

- 6/2003 – 8/2003 **Luebbe Hearing Services**, Circleville, Ohio
Graduate Clinician
- Conducted audiological assessment and remediation for patients ranging from preschool age to geriatric.

Employment Experience

- 6/2001 - Present **Champps Restaurant and Bar**, Columbus, Ohio
Server Trainer
- Conducted server-training classes for new employees.
 - Trained new servers on the floor.

Research Experience

- 8/2003 – Present **Graduate Thesis**, The Ohio State University, Columbus, Ohio
Department of Speech and Hearing Science
- *Topic* :- Temporal Resolution in children ► Step-Glide Test Verses The Random Gap Detection Test
 - *Advisors* :- Lawrence L. Feth, Ph.D. and Gail M. Whitelaw, Ph.D.
- 1/2003 – 8/2003 **Research Assistant**, The Ohio State University, Columbus, Ohio
Department of Speech and Hearing Science
- *Responsibilities* :- Collected and compiled data for audiological research.
 - *Research Focus* :- Psychoacoustics
 - *Advisor* :- Lawrence L. Feth, Ph.D.
- 9/2001 – 6/2002 **Undergraduate Honors Thesis**, The Ohio State University, Columbus, Ohio
Department of Speech and Hearing Science
- *Title* :- Comparison of Frequency Modulated Glides and Virtual Frequency Glides in Up Versus Down Identification
- Manuscript published in *Acoustic Research Letters on Line (ARLO)*
 - *Advisors*: Lawrence L. Feth, Ph.D.

Publications

- 3/2004 *Title* :- Comparison of Frequency Modulated Glides and Virtual Frequency Glides in Up Versus Down Identification.
- Completed as an Undergraduate Honors Thesis
- Manuscript published in *Acoustic Research Letters on Line (ARLO)*
 - *Advisor* :- Lawrence L. Feth, Ph.D.

Continuing Education

- 4/2004 **American Academy of Audiology Conference**
- “Audiology ROCKS”
- 2/2004 **Auditory Evaluation for Infants by the Summit County Health Department**
- An Overview of the NCHAM Workshop for Audiologists

- 2/2004 **Cerumen Management Workshop by Rita Chaiken, Au.D.**
- 11/2003 **Outcome Measures by Curtis N. Williams, M.S. from Oticon, Inc.**
- Tools for evaluating Professional Services
- 8/2003 **Oticon Hearing Aid Camp in Keystone, Colorado**
- 4/2003 **Workshop by Linda J. Burkhart**
