# Instructions

- A colored drawing of the coat of arms must accompany this application for coat-of-arms.
- If possible, please have the arms put in a GIF format on 3.25" disk.
- Write any special instructions concerning the arms as per color, charges, devises, borders, etc.
- List any special achievements, awards, positions, or other, which may be included in the official charter of arms.
- All males must place their arms upon shields.
- All females must place their arms upon lozenges.
- All applications for modification of coat-of-arms or additions to arms (i.e. supporters, full achievement, etc.) must also include a full colored copy of changes and any written statement and documentation to support the need for changes to original arms.
- The State Herald, ROC College of Arms, and the Sovereign of Arms must approve applications for arms and modification of arms. This process may take up to six months.
- All arms, upon approval, shall be placed in the official registry of Arms of the ROC College of Arms.
- There is a \$10 fee for each application.
