NATIONAL CLUBCHAMPIONSHIPS

SKW TAKES IT ALL

At the last event on this years NationalFistball Calendar – ‘ THE NATIONAL CLUB CHAMPIONSHIPS 2004 ‘ – which wasexcellently organised and hosted by DTS was held this last weekend and was thebest organised tournament for a long time. **SKW** showed again the strength andtotal dominance of the local Fistball scene, by winning all the cups andawards, with one exception. In division A, both SKW teams, won their respectivegroup games and also won the Semi-Final games. SKW 1A although, had to face alittle scare, as they were trailing by 9 points to a rejuvenated Cohen 1team at halftime. With a tactical switch however the team turned the tables andwon the game by 4 points. In the second Semi-Final, SKW1B had little troubleto win against Swakop. The final between these two SKW teams, was a reallyhigh class affair, with SKW 1A taking sweet revenge for the two defeats inthe league against the second team, to win the National Club Championships andmaking the first double perfect. With the win of the Openings tournament, SKWtook all the silverware in Division A. In division B, SKW again managed tohave both teams in the Semi-Finals, but here a very strong and determinedSwakop 3 team, won against the SKW 4 team, where as the SKW 3 side had littletrouble to win against Cohen 3, who lost the main spiker in the preliminarygames. The final between Swakop 3 and SKW 3 was a nail biting game, lastingnearly an hour. A game which was dominated by both service spikers, with thebetter end to the Windhoek team, wining the final 20:16 and 20:18 and thesecond double for SKW. SKW 3 is now undefeated since the last ClubChampionships 2003, and therefore also winning all the cups for2004.

At the prize giving ceremony after thegames, the League Winners got their medals andcups:

In Division A SKW 1B is the surprisewinner over their first team.

In Division B SKW 3 took the honours over Cohen3.
