Well deserved 6 points for the Cymot SKW team

Cymot SKW secured all six points over the past weekend. Although Cymot SKW lost Thiro Hendriks (broken leg), Andreas Shiyoo (knee) and Rolf Beiter (hamstring) the squad showed that they have got depth and can replace currently any player.

In a very hard and physical game on Friday night it was Arendt von Stryk who scored a hattrick.

He was well supported by Lucky Kakuva who himself scored two goals to make the final score 5-0.

Longtime injured Volker Ahrens and Gernot Redecker made their welcomed returns in the same game.

Saturday the Cymot SKW team faced the fresh Tough Guys side from Gobabis. Unfortunately no referees arrived for the match,

delaying the kickoff. It was eventually three players from My Dae Chiefs who volunteered to officiate the match.

Although the Friday night game still in the legs, the Cymot SKW team took a well deserved lead in the 8th minute

by youngster Gernot Redecker, after some fine interplay over the wing and Arendt von Stryk providing a superb cross.

It was again Arendt von Stryk who scored to give Cymot SKW a 2-0 cushion.
The score remained unchanged until the final whistle, as Cymot SKW again missed out on numerous chances to increase their goal tally.
Final score 2-0.

Zidane Rondia received a yellow card due to arguing with the referee.
