was a great success!!

**Thank you so much for your generous donation!
With your help, we made a difference in their lives**

Over 250 children personally received a stuffed toy to cuddle. Hundreds more stuffed toys were given to families in honor of children they had lost

Pen pal letters were exchanged

Over 100 children who witnessed the terror of Beslan were treated to a "happiness" party

"Thank you for bringing happiness back to our children."

Svetlana Vlasova, a kindergarten teacher in Beslan

"Please God, may your children never see such horror. Thank you, thank you for coming."

Vladimir, a father who lost his wife and daughter in Beslan.

Thousands of hugs, kisses, and tears were shared

Mothers and grandmothers had loving ears to listen to their stories

We left a memorial where over 300 men, women, and children lost their lives in the terrorist attack

Every child's grave was memorialized with a stuffed toy'

Our presence there in Beslan sent a message of sympathy, strength, and peace. Thank you for helping to make it a reality.
