

**Roseville Area Schools
Lettering Program Requirements
For Figure Skating**

Objectives

- 1. To offer high school club activity status to figure skaters.**
- 2. To recognize the accomplishment, time commitment and athleticism of figure skaters with a letter award to those who meet the requirements.**

Qualifications and Letter Requirements

1. The figure skater must be a current student of a Roseville Area School enrolled in grades 7-12. They must also be a current home club member of the Roseville Figure Skating Club (RFSC), a member of the United States Figure Skating Association (USFS) and/or a participant of the Roseville Skating School, a member of the International Skating Institute (ISI). The figure skater is responsible for all requirements of this criteria and for submitting all required documentation.

2. Figure skating must be performed at a High School Varsity level or higher as follows:

a. The figure skater must skate a minimum of 150 hours during the skating season. For the purposes of this program, the skating season will follow RFSC's membership year which begins on July 1 and ends on June 30. To be included in the required skating hours, the skater must skate on RFSC ice, other USFS affiliated clubs ice, and/or the Roseville Skating School ice.

Hours will be counted as follows:

- 1 hour = 1 hour;**
- Ice show dress rehearsals will count towards ice time and will equal the number of hours you are required to be at the rink (i.e. first half of the show 1.5 hours = 1.5 hours);**
- Competitions will count as 1 hour per event you compete in; practice ice purchased for the Competition will also count as total ice time; minutes purchased=minutes skated etc...**

b. The figure skater must have passed the ISI Freestyle 6 and/or the USFS Intermediate Free Skate test.

c. The figure skater must attempt at least one USFS or ISI official test per skating season, with the exception of a skater who has passed their Senior Moves in the Field and/or Freeskating tests.

d. The figure skater must participate in at least 3 "public" events per skating season, such as competitions, ice shows and exhibitions.¹ At least one of the events must be a USFS or ISI competition.

4. The figure skater must follow the Minnesota State High School League rules of eligibility and conduct.

5. The figure skater must train under the supervision of an approved RFSC professional coach.

6. The figure skater needs to submit the necessary documentation to an RFSC Board Member for verification which must include total hours skated, ordinal sheets from competitions, forms from tests attempted or completed, etc. A Requirements Form is available on the RFSC website (rosevillefsc.org). This form must be submitted before the end May of the current membership year.

Once a figure skater has attained letter status, a bar can be earned for each subsequent year if the skater has fulfilled all of the above requirements for that season until a skater graduates.

The Roseville Figure Skating Club operates as an independent provider for ISD #623 and is administered by the RFSC Board of Directors. The RFSC is a full member of the USFSA and operates under the auspices of it.
