Presidents Report

Hello everyone,

Well it's back to work now after a very enjoyable time in Australia. After going to the World's competition in Cleveland, we headed on down to Coolangatta for the Wintersun festival. It was great to see so many kiwis from other clubs around the streets. Everyday you just seemed to bump into another group. This year they predicted over one hundred thousand people and fifteen hundred cars. There were many events including the search for the best Elvis, bands, markets and the clubs. Congratulations to all the kiwi's who danced at Wintersun and the Worlds .

Back home now and its into planning the year for our club members. We have an intermemdiate course underway and hope everyone is getting some new moves to add to their dance repetiore.

Included in your newsletter is a list of coming events. Try to support other club's by attending their Hops. We will car pool if anyone requires a ride. Don't forget our Club Champs on Sept 8th. It is also an invitation event for other clubs and a fun night for our own members. We hope all our own members will join in.

Happy Rocking; Bryan

 8th Rotorua Club Champs
 15th Juke Box Champs
 29th City of Sails Allcomers

WINTERSUN

THE WORLDS AND WINTERSUN 2007

On the 30th May 2007 we arrived at Coolangatta on the Gold Coast. We picked up our little yellow Geetz and headed on up the M1 to Cleveland. It was getting pretty dark but as we had been there before we sort of knew the way to go this time. After checking in to our Motel we headed over to the local RSL club which was fortunately just over the road. We spent a couple of days looking around and enjoying the warm weather before the competitions started. The Worlds took up three days and it was great to see our other kiwi friends there too. Rachel and Jeremy danced in several events and brought home some nice trophies. It was a great weekend although a long one.

On the Monday we headed down to Coolangatta for the Wintersun Festival. It was time for us to start practising for our competitions there. Already the town was starting to fill up with people and cars and the weather was continuing to be fine and warm. The day of the dance heats had arrived and it was blowing a gale and bitterly cold temperatures. The outdoor stage providing a bit of a challenge, the wind off the sea and the cold was a major factor, however we managed to go through to the finals and our next dances were to be held in the evening at the Starlight Ballroom at Seagulls. Going from one extreme to another, it was very hot dancing under the lights. We managed to get two second placings and some nice trophies to bring home. We went to an awesome show one night featuring Elvis Presley, Roy Orbison, Jonny Cash and Jerry Lee, all impersonators from America. This was a great night, and we managed to relive it again on the last day at the concert at Kirra Park. It was a great day to finish off Wintersun for another year.

N B; Congratulations to all our kiwi competitors, you certainly did us proud.
Eddie
